Computer Technician

Simplified Computers
901 S. Neil Street
Champaign, IL

Immediate job openings for qualified computer technicians.

Job duties would entail:

- Testing computer hardware (RAM, hard drives, systems)
- Building new computers
- Helping customers problem solve
- Retail transactions
- Reformatting and loading Windows on computers
- Various odd jobs
- 15-20 hours week including Saturdays

The ideal candidate will possess:

- Attention to detail
- PC repair experience
- Retail sales experience
- Customer service skills
- Well spoken and written skills

This is an excellent opportunity for the right person(s) to gain valuable experience in the IT field and overall business skills. Apply in person with resume to Simplified Computers.
