Parkland is a member of the National Junior College Athletic Association and the Mid-West Athletic Conference. Most sports have conference championships; athletes can be named to All-Conference and All-Academic teams. The Cobras compete at the NJCAA Division 2 level in all sports except soccer which plays at the D-1 level.

The Cobras have emerged as a powerhouse in conference, regional, and national competition over the last decade, becoming one of the most well-rounded and successful programs in the country.

Full-tuition scholarships are available for qualified athletes. Open tryouts take place in all sports.

**TEAM HONORS**
