

### **Mission / Vision Statement**

The Champaign County Nursing Home provides compassionate long-term, rehabilitative, and memory care services reflective of the community we serve, and in a manner reflective of our 100 year history. Our Adult Day Care provides exceptional daily respite services for local caregivers and members of our community who prefer the safety and comfort of a day care center to staying at home. We give residents and clients something to look forward to each morning, and something to dream about each night.
