

Mission / Vision Statement

The MAYC Board of Directors and Staff will:

- Provide area youth a safe and nurturing environment of enjoyment and challenge
- Teach respect for cultural and economic differences present in the American way of life reflecting the principals of the Constitution and the Bill of Rights
- Train area youth in the responsibility and privilege of service to others and to the community
- Provide leadership training for area youth, staff and club supporters
- Support the family Unit with a value based and inclusive program
- Provide full club program services to all community youth with the full extent of Club resources
- Remain responsive to the community values and needs
