

## **Mission / Vision Statement**

At the Orpheum Children's Science Museum, we inspire, engage and educate children through exploration of science and the arts. We are in our 20th year of enriching our community through camps, after school clubs, special events, exhibits and field trips.

## **Internships**

None listed

## **Volunteer Projects**

### **Toddler Tuesday (Weekly, 10am-11:30am).**

Volunteers will help with activities for toddlers that provide an opportunity to work on developing language, cognitive, and social skills.

### **Reading to Dogs (Third Sunday of Every Month, 2-3pm)**

Volunteer will assist with reading and interacting with kids. Connections will have trained therapy dogs on site.

### **Weekend Wizards (Saturdays 1-3pm)**

Volunteers will assist kids on creative projects, enthusiastically keeping kids engaged in the activity.

### **Animal Encounters (Wednesdays and Fridays 1:30-2:30)**

Volunteers will teach children about the animals at Orpheum. Volunteers will interact with animals and children. This opportunity requires training, so regular volunteers are desired.

### **Annual Building Fair**

Volunteers will be needed to help facilitate activities, work with kids, and assist with general set up and take down.

These events will take place at Orpheum Children's Science Museum, in Downtown Champaign (346 N. Neil St.).

For more information regarding these events, please contact Camille Certeza – [volunteer@orpheumkids.org](mailto:volunteer@orpheumkids.org).
