Unit 4 Schools

Volunteers are welcomed at all Unit 4 schools. Each year over 1,000 volunteers donate over 15,000 hours of time to our schools: tutoring, mentoring, or assisting in classrooms. Public school districts cannot succeed in their mission without the dedication and support of the many volunteers who work in our classrooms. We are grateful for the caring and commitment of our volunteers and can honestly say, we can't do it without YOU!
