A creative, enduring memorial to a loved one.

You can honor or remember a friend or loved one with a "living gift"—
a new tree on one of the most beautiful community college campuses in Illinois.

Your contribution of $300 or more to the Parkland College Foundation will be used to purchase a tree that will be carefully planted and tended in the Memorial Grove on the Parkland College campus.

Each tree purchased will be dedicated during a special ceremony on Arbor Day. A small plaque at the tree will explain to students, faculty, alumni, and visitors that this special living remembrance was donated by you in honor or memory of your friend or relative.

Your gift will grow and prosper as part of a unique and diverse collection of trees and help to beautify our campus. It is a lasting way to remember a loved one, to wish someone the best at commencement, or to celebrate a special anniversary.

For your convenience, a gift form is printed below. For more information about the Living Tree Program, or other methods of assisting the college's landscaping and conservation program, contact the Parkland College Foundation, 2400 West Bradley Avenue, Champaign, IL 61821-1899; 217/351-2458.
