## NEW CERTIFICATE

Administration recommends Board approval for the General Education Core Curriculum (GECC) certificate.

# 1. General Education Core Curriculum: minimum graduation requirement – 38 hours

Since 1998, Parkland College has been a participant in the Illinois Articulation Initiative (IAI), a statewide agreement that allows transfer of the completed Illinois General Education Core Curriculum (GECC) between participating institutions. The GECC requires that the student takes courses distributed across five academic discipline areas. Completion of the GECC at a participating institution provides assurance for the transferring student that lower-division general education requirements for a transfer Associate in Arts degree or a bachelor's degree have been satisfied. Public Act 099-0636 states that students who complete the full GECC package may not be required to take additional lower-division general education courses upon transfer.

In accordance with Section 1501.301 and 309 of the ICCB System Rules, colleges may now award an official certificate to a student who completes the GECC. This GECC certificate is not a work-force certificate or an industry-recognized credential. But it is a powerful tool is aiding transfer and completion.

Parkland College seeks board approval to offer the GECC certificate.

MOTION—Move to approve the new IAI General Education Core Curriculum certificate.

# POLICY MANUAL UPDATES (LODGED)

The Parkland College Association (PCA) and Administration have completed the latest review of the Policy and Procedures Manual. The recommended changes are being lodged and will be presented as a consent motion for approval at the February meeting.

## **POLICY 3.13 Use of College Facilities**

Over the past two years, there have been instances where the policy has not provided adequate guidance for clear decision-making in regard to facility rentals. As a result, there have been groups utilizing campus spaces that are not documented in the official college scheduling system, posing a security risk and other potential liability, and some inconsistency in the usage of college facilities and associated fees.

# **POLICY 3.24 Tobacco Free Campus**

The College is adding procedures, in the form of an enforcement component, which includes written warnings, citations and an appeal process. This will help bring things event more into compliance with Illinois state law, the Smoke-Free Campus Act, 110 ILCS 64/1-99, which requires penalties and rules be established by each state-supported institution of higher education.

# **POLICY 3.42 Animals on Campus**

These proposed changes are related to the current legislation surrounding the ADA, requires a more robust service animal policy.

#### **POLICY 4.14 Grievance**

Rationale for the changes: Adding wording allows submitted grievances to be reviewed to make sure they fall under PCA Grievance Policy before it is necessary to convene the PCA Grievance Committee. Currently, if someone files a grievance with the PCA President, the entire grievance process has to be activated, requiring individuals to put in unnecessary time if the grievance submitted is not a PCA grievance.

# **POLICY 8.08 Release of Information about Students**

The changes are to clean up inconsistencies between current Parkland practice and the outdated procedures under Policy 8.08. Most importantly it clarifies that all rights to a student's education record belong to the student and not to the student's parent even in cases of a minor student or a student claimed as a dependent under federal tax law.

# POLICY 8.10.18 Student Leadership Scholarships

Rationale: The old policy was not reflective of current practices. We are also changing the student engagement opportunities conducted through Student Life and would like to update the scholarship given through Student Life to reflect these changes.

INFORMATION			

Note: The proposal includes eliminating the old policy, which appears at the end of this document, with strikethrough. The proposed policy is here:

#### POLICY 3.13 USE OF COLLEGE FACILITIES

The administration determines how and when the facilities can be best used to meet the needs of the College. Some of the facilities of Parkland College are available for use by faculty, staff, administration, students, and others for activities which coincide with the mission of the College.

The utilization of space is first determined by the instructional needs of the semester course schedule as established by the Vice President for Academic Services. The schedule of athletic events is established by the Athletic Director. Once the College schedule is established, additional requests for use of space for meetings, seminars, conferences, workshops, and other special events are administered through the College's facilities rental process.

This policy applies to all campus facilities and grounds. All persons who contract to use the facilities must observe the rules established by the College administration for safe and efficient use.

Priorities for facility usage are as follows:

First Priority – Instructional Activities: Scheduled credit classes, non-credit classes, and College-wide instructional and development activities, e.g., departmental meetings.

Second Priority – Institutional Events: Events sponsored by the President, administrative units, athletic department, and the Parkland College Foundation.

Third Priority – Student Activities: Student activities registered through the Office of Student Life or an academic department.

Fourth Priority – Cosponsored Events: Events hosted on the Parkland campus by non-College groups that have partnered with a Parkland College department, unit, or administration and directly relate to the sponsoring unit's contributions to the campus community. The College will not cosponsor events in which the educational or public service implications are not evident, and that do not relate appropriately to the Mission and Purposes and Statement of Core Values of the College. Fees will be charged unless waived at the Vice President level.

Fifth Priority – Community Events: Events and meetings held on the Parkland campus for general community use. Meetings may be hosted by non-profit or for-profit businesses and government agencies. Private events may be held in spaces designated in the procedure. The College will not rent space for events in which the educational or public service implications are not evident, and that do not relate appropriately to the Mission and

Purposes and Statement of Core Values of the College. Fees will be charged unless waived at the Vice President level.

In cases where a request does not fit one of the categories, the President or designee has the authority to determine its priority. Only the President or designee can make exceptions to the priorities below in case of emergency or extenuating circumstances.

Revised: June 7, 1989

Revised: January 20, 1993 Revised: March 29, 2000

Revised: February 27, 2008

#### **Procedure**

A potential grievance exists when a member or associate member (herein called "the grievant") of the Parkland College Association claims there has been a violation, misapplication, or misinterpretation of a contract, or of any existing policy or procedure rule or policy of the College outside the scope of the applicable Collective Bargaining Agreement. This procedure also extends to staff members not represented by a collective bargaining agreement.

#### A. Time Increments and Time Limits

All time increments consist of weekdays when classes are in session; however, when a grievance is submitted less than ten (10) days before the end of the semester or summer session, time increments shall consist of all days when the College's offices are open.

Specified time limits in this procedure are maximum limits, and participants are encouraged to carry the procedure forward without delay. In **extenuating** unusual circumstances, time limits may be extended, and then only by written mutual consent of the grievant and the **respondent** supervisor (herein called "the respondent"). Failure by the grievant at any step in the PCA grievance procedure to appeal a decision within the specified time limits shall be considered acceptance of the decision at the last completed step. Failure at any step in the PCA grievance procedure to render a written decision within the specified time limits shall allow the grievant to proceed to the next step.

#### B. PCA Grievance Committee

# 1. Membership

A committee of the PCA President, the Policy Manual Committee (except for those members who are Parkland College Vice Presidents), and the Office Director of Human Resources (or a designee if the member Director of Human Resources is an involved party) shall be known as the PCA Grievance Committee. The PCA President will serve as chair of this committee. This committee will have three votes: one by the PCA President, one by the Office Director of Human Resources (or a designee if the member Director of Human Resources is an involved party), and one from the Policy Manual Committee.

## 2. Responsibilities

The PCA Grievance Committee seeks to facilitate the resolution of the grievance while assuring both the grievant and the respondent fair and equal treatment. The PCA Grievance Committee does not act as advocate for either the grievant or the respondent; rather, the committee guides the grievance through the procedure outlined below. The PCA President will submit a file to the Director of Human Resources who will maintain a file of documents pertaining to the grievance, the committee maintains a file of documents pertaining to the grievance, including all written appeals and responses, in addition to any other material it deems necessary for a complete record.

#### 3. Conferences

The PCA grievance procedure requires up to two (2) conferences. Conferences are intended to permit open, free, and full exchange among the committee, grievant, and respondent. It is expected that all parties to a grievance will enter into the conferences in the spirit of mutual respect and with an earnest desire to seek resolution. Every effort will be made to schedule the conferences at times that do not interfere with the assigned duties of the PCA members whose presence is necessary at the conferences. If conferences must be scheduled at times that conflict with duty assignments, PCA members shall be released from those assignments to attend the conferences without loss in pay.

#### 4. Procedure Process

#### Step 1

Within 20 days of the event or consequences of the event (or the grievant's awareness of the event and/or consequences thereof) giving rise to the grievance, the grievant must submit to the PCA President, in writing, a signed grievance and explanation of why the grievant feels a PCA grievance has occurred. Within five days of the receipt of the signed grievance and explanation from the grievant, the PCA President will convene an ad hoc committee that will meet to determine if a PCA grievance exists.

The ad hoc committee will consist of the PCA President, the PCA Vice President, the Director of Human Resources, and the President and Vice President of the grievant's union (or union President's designee if the union has no vice president). If the grievant or respondent is the Director of Human Resources, the ad hoc committee will consist of the PCA President, the PCA Vice President, and the College President designee. If any ad hoc committee member is unavailable to attend the meeting, that committee member will select a replacement.

Within two days of the meeting, the PCA President will notify the grievant in writing of the committee's decision and include a written rationale if a PCA grievance does not exist. If the committee determines a grievance exists, the PCA President will forward a copy of the grievance to the respondent and activate the PCA Grievance Committee.

The respondent may provide a written, signed response to the grievant within two days, addressing reasons for the action(s) that gave rise to the grievance. This response should be submitted to the PCA President.

#### Step 23

Within five (5) days of the meeting described in step 1, receipt of any documents, the President of the PCA shall activate the PCA Grievance Committee, and shall inform, in writing, all parties involved that a formal complaint has been received and shall provide the PCA Grievance Committee with communications from the grievant and the respondent.

#### Step 3 4

Within ten (10) days after its activation, the PCA Grievance Committee shall schedule a one hour thirty minute-90 minute time block to meet with the grievant and any witnesses the grievant may wish to have testify, which will be immediately followed by a one hour thirty 90-minute time block to meet with the respondent and any witnesses the respondent may wish to have testify. Revised: December 16, 1998

#### Procedure

#### 8.08 RELEASE OF INFORMATION ABOUT STUDENTS

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a Federal Law designed to protect the privacy of a student's education records. The law applies to all schools that receive funds under an applicable program from the U.S. Department of Education. Under the law, As allowed under FERPA, Parkland accords all rights to a student's education record to the student. Disclosure of the contents of a student's educational record may only be done with the student's consent or under one of the exceptions to this rule, under FERPA, as outlined below in this procedure.

Parents have a right to records until a student reaches the age of 18; then the right passes to the student, unless the student is considered as a dependent as defined by the Internal Revenue Service. In that case both the parent and student have rights under the act. Parents will be required to provide proof of dependency to validate their rights.

#### **Definitions** 8.8.1

For the purpose of this policy, Parkland uses the following definitions.

Directory Information: The following items are classified as "Directory Information":

- 1. Full name
- Address
- Telephone number

  Weight, height and position of members of athletic teams
  Dates of attendance and enrollment status (i.e., full-time/part-time, class level)

The following are not included in the definition:

- 1. Records of instructional, supervisory and administrative personnel and education personnel ancillary thereto which:
  - a. are the sole possession of the maker thereof and
  - b. are not accessible or revealed to any other individual except a substitute. For purposes of this definition, a "substitute" means an individual who performs on a temporary basis the duties of the individual who made the record, and does not refer to an individual who permanently succeeds the maker of the record in his/her position.
- 2. Records maintained by the Parkland College Office of Public Safety that were created by that office for the purpose of law enforcement.
- 3. Records relating to an individual who is employed by the College but who is not attending the College provided they are:
  - a. made and maintained in the normal course of business.

(See When Prior Consent for Disclosure is not Required.)

Personally Identifiable Information - data or information including name(s), addresses, numbers, a list of characteristics, or other information which would make the student's identity easily traceable.

The term does not include an individual who has not been in attendance at the College. An individual who has been admitted but has not registered (paid fees) is not a student. A student who applied for admission to a selective admissions program is not considered a student in that program until admitted and fees are paid.

Emergencies - When the health or safety of the student or other individuals is endangered, pertinent information may be disclosed but only by the designated offices. A disclosure record must be maintained.

Waiver: A student may, subject to certain limitations, waive any of his/her rights under the provisions of the Law. The waiver must be in writing and must be signed by the student. (See waivers under section 8.10.3)
