Customized Training and Solutions

succeed.

Your success begins with your staff!

We will assess your team's needs and develop solutions that improve employee productivity and your bottom line.

Experience these benefits:

Improved workforce stability | Lower turnover rates
Significant savings/decreased costs | Reduced lead times | Accident and injury prevention | Increased employee loyalty, efficiency, and productivity

We promise:

Superior customer service | Convenience: training where and when you want it | Diverse pool of experienced and knowledgeable instructors | Proven success with area businesses

Let us tailor a training solution that meets your needs today! Contact Brooke Ohlsson at bohlsson@parkland.edu, Dave Webb at dwebb@parkland.edu, or call 217/351-2235.

- 2 College for Kids**
Summer learning is **COOL** with classes in coding, cooking, creating, and more!
- 12 Youth Programs**
Archery, horseback riding, and a **NEW** Fandom Art Studio class; **PLUS** a great lineup of hands-on summer camps including First Gig Rock ‘n Roll for future rock stars.
- 14 Computers & Technology**
Computer and device classes for all levels. Love Excel? These in-depth workshops will up your game.
- 16 Health & Wellness**
Grab a fitness friend and check out boot camp, yoga, dance fit, and more; **PLUS** a **NEW** class on finding your inner Warrior Goddess.
- 18 Money Matters | Language & Writing**
Estate planning; sign language; **NEW** writing for young audiences.
- 19 Arts & Crafts**
Photography, drawing, painting, glass craft, and more. Bring a friend to share the fun!
- 21 Music**
Mountain dulcimer and a singalong/play-along series **PLUS** the fall line-up of Parkland music ensembles.
- 22 Food & Beverage**
Keep cool this summer with no-cook desserts; preserve your summer harvest with canning; more.
- 23 Home & Garden**
Beekeeping, gardening, woodworking, and upholstery.
- 24 Recreation**
Archery, sailing, horseback riding, gun safety.
- 26 Travel**
NEW daytrips: Hannibal, Evanston, Sycamore, Oktoberfest, and unique and quirky roadside attractions in nearby Casey **PLUS** great Giertz Gallery art expeditions to Chicago and Indiana. And enjoy Russia and the Louvre in the Armchair Travel series.
- 29 Parkland Presents**
Shows and events at the Staerkel Planetarium, Giertz Gallery, and Parkland Theatre.
- 32 Continuing Professional Education**
NEW online certificates in game design, data analysis, webinar design, onboarding new employees—all great for today’s workplaces—**PLUS** skills-based training and certifications in food service, forklift, healthcare, CDL, drones, welding, much more.

college for kids

College for Kids makes learning fun. Your kids will love our interactive classes in art, science, writing, technology, and more!

Design & Create

NEW

Creations in Clay, ages 8–11

Experience the tactile magic of clay! Create functional pottery and interesting sculptures using basic hand building techniques. Explore pinching, slab building, and coil building to create lasting works of ceramic art. You will also explore various decorating techniques to complete their one of a kind creations in Parkland's ceramics studio.

6/18–6/28	Mon–Thu 12:45–2:45 PM	Class ID: 3088
Deadline: 6/4	PC	\$159
6/18–6/28	Mon–Thu 3–5 PM	Class ID: 3088
Deadline: 6/4	PC	\$159

Make Your Own Movie, ages 8–11

Be a part of a movie crew and write, produce, and edit your own mini-movie. Start your filmmaking experience by writing your own original story board. Using iPad minis, gain experience using cool apps to record your video, take fun pictures during the production stage, and edit footage into a quality movie. At the end of the session, your movie will be shown in a premiere party for family and friends.

In order to participate in the classroom activities and projects, please have your child set up a Gmail account and password prior to the first day of class.

6/18–6/28	Mon–Thu 12:45–2:45 PM	Class ID: 2924
Deadline: 6/4	PC	\$159

Crazy Paint Studio, ages 8–13

Explore the endless possibilities of paint! Brainstorm different ways to create paint using strange materials likes sawdust, salt, sand, dirt, and much more. Dabble in different types of paint as you explore using peculiar tools, such as sticks, sponges, brooms, palette knives, and bubble wrap to make your creations. By the end of the course, you will complete several paintings in order to construct one amazing composition piece.

6/18–6/28	Mon–Thu 3–5 PM	Class ID: 2930
Deadline: 6/4	PC	\$159

iPad Art Studio, ages 8–13

Interested in learning about digital media? Explore how to use iPad minis to develop a digital art portfolio. Rusty Clevenger will teach you to create your own stylized portraits, explore various photo-editing apps, create various types of animations, and the basics of digital storytelling. You will also learn interesting facts about visual and commercial artists that use similar digital media. The course will be capped off with an exhibition designed and set up by the students.

In order to participate in the classroom activities and projects, please have your child set up a Gmail account and password prior to the first day of class.

7/9–7/19	Mon–Thu 12:45–2:45 PM	Class ID: 2939
Deadline: 6/25	PC	\$159

Pocket Sketching, ages 8–13

Explore and record the world around you with the technique known as Pocket Sketching. This quick draw method is a visual arts journal for the artist. Grab your art pad, pens, and pencils, along with a portable supply kit as professional artist Jackie Tice helps you capture mood and character in the world around you.

6/18–6/28	Mon–Thu 3–5 PM	Class ID: 2936
Deadline: 6/4	PC	\$159

Watercolor with Pencils, ages 8–13

Learn to shade and color with watercolor pencils and create beautiful works of art! Under the direction of professional artist Jackie Tice, you will explore color theory as well as techniques specific to the medium. This is a great class for students who love to draw and paint. As you learn, you will make some great works of art and develop your own artistic and visual style.

7/9–7/19	Mon–Thu 3–5 PM	Class ID: 2945
Deadline: 6/25	PC	\$159

Design & Create

NEW

Dragon Nest Creations, ages 9–13

Join the quest to create artwork about the legendary creature—the dragon! Each champion artist may choose a ceramic dragon piece to paint from a wide-range of options. You will conquer different types of acrylic painting techniques to make your dragon creation come to life. Explore different types of glazing techniques to make your own unique dragon eggs. Along your epic voyage, learn about the mythical creatures that have intrigued centuries of people around the world and complete your own nest of creations inspired by the myth.

7/9–7/19 Mon–Thu 3–5 PM Class ID: 2986
Deadline: 6/25 PC \$159

Create Your Own Website

Do you dream of being a webpage designer? Learn to design, build, and publish your own website that includes images, text, sound, and more. You'll gain experience in coding and learn techniques that are ideal for those with little to no coding and design experience. This project-centered course will give you the opportunity to build your own original website and a group one.

In order to participate in the classroom activities and projects, please have your child set up a Gmail account and password prior to the first day of class.

Ages 10–12
6/18–6/28 Mon–Thu 12:45–2:45 PM Class ID: 2926
Deadline: 6/4 PC \$159

Ages 11–13
7/9–7/19 Mon–Thu 12:45–2:45 PM Class ID: 2935
Deadline: 6/25 PC \$159

NEW

Be an Architect, ages 10–13

Discover the fascinating world of architecture as you look at buildings and how you perceive space through the eyes of an architect. You will learn about the concepts of personal and cultural space as you design a model house. Working in groups, use your creativity to design a variety of spaces using modelling, drawing, and collages. Learn about iconic buildings around the world and the famous architects who designed them.

7/9–7/19 Mon–Thu 12:45–2:45 PM Class ID: 3007
Deadline: 6/25 PC \$159

Paint Like the Masters, ages 10–13

Imitation is the sincerest form of flattery, and when it comes to painting, it is also one of the best ways to learn. For centuries aspiring artists have studied under great masters, copying and building on their techniques. Under the direction of professional artist Jackie Tice, you will learn about different paint handling techniques and the impact of color combinations while learning about the great masters of art.

6/18–6/28 Mon–Thu 12:45–2:45 PM Class ID: 2923
Deadline: 6/4 PC \$159

Strategy Game Making, ages 10–13

Develop critical thinking skills using popular strategy games. Will you be able to survive an attack? Can you claim new territories before your enemies? Would being aggressive or more patient be helpful? Learn to identify different possible strategies and make informed decisions. Games as varied as Chess, Settlers of Catan, Munchkin, and Go will be broken down into their strategic elements to teach critical and strategic thinking. The class will culminate in making your own game from scratch.

7/9–7/19 Mon–Thu 12:45–2:45 PM Class ID: 2946
Deadline: 6/25 PC \$159

3D Pen Creations, ages 11–13

Are you interested in learning to design and draw 3D objects? Join in the exciting adventure of creating with a 3D pen. You'll explore three-dimensional shapes and create an amazing project as you also learn to use the engineering process of ask, imagine, plan, create, test, and improve.

3D pens will be provided for in-class use.

6/18–6/28 Mon–Thu 3–5 PM Class ID: 2928
Deadline: 6/4 PC \$159

7/9–7/19 Mon–Thu 3–5 PM Class ID: 2947
Deadline: 6/25 PC \$159

Metal and Jewelry Studio, ages 11–13

Use your hands and imagination to turn vibrant metals into unique works of jewelry and fun, yet functional pieces like a container. You will enjoy learning basic forming techniques used with copper. Denise Seif, a Parkland faculty member and artist, will teach you to make elaborate textures and patterns as you master how to solder, rivet, and patina copper. By the end of the course, you will have designed one of a kind pieces of jewelry that you will love to wear.

6/18–6/28 Mon–Thu 12:45–2:45 PM Class ID: 2925
Deadline: 6/4 PC \$159

NEW

Textile and Fiber Fun

Try your hand at making creative pieces of fiber art to express yourself! Using reusable textiles and materials, you'll design some fun projects that you will treasure. Design a beautiful cross stitch sampler using burlap as the background. Explore the endless possibilities of bringing color to a weaving project using a loom that you will construct. By the end of this camp, you will have all kinds of ideas for using sustainable materials to create beautiful works of fiber art.

Ages 11–13
6/18–6/28 Mon–Thu 3–5 PM Class ID: 2979
Deadline: 6/4 PC \$159

Ages 8–10
7/9–7/19 Mon–Thu 12:45–2:45 PM Class ID: 2980
Deadline: 6/25 PC \$159

Build, Compute, & Engineer

Bridge Building, ages 8–10

Are you ready to take on the challenge of building some amazing bridges? Bring your curiosity and ingenuity as you will build replicas of real life bridges. You'll need your creativity as you learn about key bridge types, such as truss, arch, cantilever, suspension, and cable-stayed. Work in teams to figure out how to build these bridges and gain a real world understanding of the engineering behind the bridges.

7/9–7/19 Mon–Thu 3–5 PM Class ID: 2954
Deadline: 6/25 PC \$159

Construction Junction, ages 8–11

Calling all kids who love to invent and build. Work in groups to build a Rube Goldberg machine and sharpen your problem solving skills. Like the game Mousetrap, these machines are really complicated, but perform a very simple task. You'll use a variety of materials to build your own contraption, device, or invention while learning about simple machines.

Please bring recyclable materials, such as paper towel rolls, cardboard boxes, empty soda bottles, PVC pipe, foam board, springs, scrap wood, and cardboard on the first day of class.

6/18–6/28 Mon–Thu 12:45–2:45 PM Class ID: 2921
Deadline: 6/4 PC \$159

7/9–7/19 Mon–Thu 12:45–2:45 PM Class ID: 2940
Deadline: 6/25 PC \$159

Engineering with Legos, ages 8–11

This foundational LEGO® class will inspire future engineers! Beginning with reading diagrams and progressing to measuring properties, you will gain experience and confidence with simple methods. Working in pairs, build mechanisms, investigate motorized machines, calibrate and capture wind, and study gearing apparatus with a simple motored LEGO set.

7/9–7/19 Mon–Thu 3–5 PM Class ID: 2949
Deadline: 6/25 PC \$159

Mad for Math, ages 8–12

Keep your math skills sharp as you explore the endless possibilities of math. Create drawings, explore new websites, and play games with friends while refreshing your math skills. You'll solve math riddles and equations, collect and analyze data, and go on a scavenger hunt. You'll find that math has never been so fun.

7/9–7/19 Mon–Thu 12:45–2:45 PM Class ID: 3010
Deadline: 6/25 PC \$159

NEW

Animation in Space, ages 9–13

It's time to create your very own space-themed animations! Whether you're interested in alien invasions, rocket launches, or planetary exploration, learn how professional animators bring drawings to life by using different production techniques, including timelines and key frames. You'll work individually and as part of a team with new friends who share your interests! In addition to computer-based drawing, you'll explore analog animation techniques including flipbooks, claymation, and human-based stop motion animation! At the end of the week, we'll have a premiere to share your animation with family and friends.

In order to participate in the classroom activities and projects, please have your child set up a Gmail account and password prior to the first day of class.

6/18–6/28 Mon–Thu 12:45–2:45 PM Class ID: 2977
Deadline: 6/4 PC \$159

Amazing App Inventor, ages 10–12

Do you have an idea for the next great app? Using iPads and the Swift Playgrounds app, you will learn the basics of iOS programming. Working in small groups, you will also brainstorm your very own app ideas and present them at an end of camp "tech exposition." iPad minis will be provided for you to use.

In order to participate in the classroom activities and projects, please have your child set up a Gmail account and password prior to the first day of class.

6/18–6/28 Mon–Thu 3–5 PM Class ID: 2932
Deadline: 6/4 PC \$159

7/9–7/19 Mon–Thu 3–5 PM Class ID: 2948
Deadline: 6/25 PC \$159

From Dreamer to Designer: 3D Design Academy, Ages 10–13

Have a great idea for a 3D design? Take your idea from concept to prototype using cutting edge 3D design and modeling techniques. Working in groups, you'll take a real world design problem and create your very own design solution using TinkerCAD. Travis Ross, from the Beckman Institute Imaging Technology Group, will help you develop your ideas, design a product, and experience the prototyping process to create a physical 3D model. As you explore the exciting field of 3D design, you will also see how your digital skills may make a positive impact on the world.

6/18–6/28 Mon–Thu 12:45–2:45 PM Class ID: 3057
Deadline: 6/4 PC \$159

7/9–7/19 Mon–Thu 3–5 PM Class ID: 3058
Deadline: 6/25 PC \$159

Build, Compute, & Engineer

LEGO Mindstorm, ages 10–13

Create the smartest, strongest and most advanced LEGO robot ever! The NXT Intelligent Brick, your robot’s “brain,” features a powerful 32-bit microprocessor. A highly versatile palette of elements combines with ultrasonic sound, light, and touch sensors in the next generation of intuitive robotics. Using software and step-by-step building instructions, beginners and experts alike can create humanoid, vehicle, and animal robots that obey every command. Work in teams to program your robot through an obstacle course.

6/18–6/28	Mon–Thu 12:45–2:45 PM	Class ID: 2920
Deadline: 6/4	PC	\$159
7/9–7/19	Mon–Thu 3–5 PM	Class ID: 2950
Deadline: 6/25	PC	\$159

Logic Lunatics, ages 10–13

Challenge your brain as you complete daily logic puzzles individually and with teammates. You’ll tackle challenging jigsaw puzzles, written logic puzzles, online logic games and challenges, learn logic card games, and have the opportunity to create your own logic games. Become a whiz at logic and outsmart your family and friends!

7/9–7/19	Mon–Thu 3–5 PM	Class ID: 3009
Deadline: 6/25	PC	\$159

NEW

Vex IQ Robotics, ages 10–13

Unlock the power of your imagination and build a robot using VEX IQ Robotics. VEX IQ Robotics offers exciting and cool technology that will teach you to construct a robot that is remote controlled. You’ll work with smart motors and high-tech sensors to build a robot that is able to lift, climb, and throw. Work in teams and make new friends as you work together to program your robot to perform a variety of challenges.

6/18–6/28	Mon–Thu 3–5 PM	Class ID: 2978
Deadline: 6/4	PC	\$159
7/9–7/19	Mon–Thu 12:45–2:45 PM	Class ID: 2981
Deadline: 6/25	PC	\$159

NEW

Blast Off with Rocket Building, ages 11–13

Blast off as you learn all about model rocketry. Explore the fundamentals of rocketry and gain an understanding of aerodynamic stability, rocket propulsion, and recovery. Taught by Greg Smith, a member of the Central Illinois Aerospace Club, you will learn to build and fly your very own rocket. Gain a sense of accomplishment as you see your rocket soar! All students will be engaged in building their own rockets.

Additional materials fee of \$10 due at registration.

7/9–7/19	Mon–Thu 3–5 PM	Class ID: 2955
Deadline: 6/25	PC	\$169

NEW

Monster Coding, ages 11–13

Bring your creations to life in this creepy camp! You’ll make your spookiest ideas a reality through creative coding in Processing, a powerful coding language. By learning this program, you will be able to build complex and interactive coded artwork. We’ll start by working together to learn the basics of Processing so you may bring your own ideas to life. You’ll have an opportunity to work collaboratively in groups to create several interactive computer programs that you can share with your friends.

In order to participate in the classroom activities and projects, please have your child set up a Gmail account and password prior to the first day of class.

7/9–7/19	Mon–Thu 3–5 PM	Class ID: 2987
Deadline: 6/25	PC	\$159

Explore & Investigate

Day at the Zoo, ages 8–11

Do you like spending time at the zoo? Do you like learning about animals? Now is your chance to create your very own zoo. Design your zoo layout by learning everyday math skills in area, perimeter, addition, and subtraction. Research a variety of animals in order to decide which ones to purchase for your zoo and create a booklet full of amazing animal facts. You will also create marketing materials so people will want to visit your zoo again and again.

6/18–6/28 Mon–Thu 12:45–2:45 PM Class ID: 2917
Deadline: 6/4 PC \$159

Kids in the Garden, ages 8–11

Do you love to get your hands dirty in a garden? Get a hands-on introduction to planting and harvesting a garden. You will learn the basics of gardening, such as how to start plants with seeds, how bees can help your garden, how to compost, and how to make a theme garden. Fun garden crafts included as well. Learn from Master Gardener Becky Prather as you explore the fun of growing your own food!

6/18–6/28 Mon–Thu 12:45–2:45 PM Class ID: 2918
Deadline: 6/4 PC \$159

Wild About Weather, ages 8–11

Learn how wind, rain, thunder, and lightning make a thunderstorm. You'll explore different natural disasters such as tornadoes, earthquakes, tsunamis, hurricanes, and volcanoes and even create your own mini versions in the classroom. This class is perfect for those who love learning about the world around us.

7/9–7/19 Mon–Thu 12:45–2:45 PM Class ID: 2938
Deadline: 6/25 PC \$159

Around the World in Eight Days, ages 8–12

Explore the various traditions in the arts around the world. Discover holiday traditions in Japan, Africa, China, Italy, India, Brazil, Mexico, and France through hands-on experiences, crafts, and music. Each day, you will uncover the artistic, musical, and celebratory traditions of a different country.

6/18–6/28 Mon–Thu 3–5 PM Class ID: 2933
Deadline: 6/4 PC \$159

NEW

Slime Sensations, ages 9–13

Join the viral slime sensation! Learn to create your own slime business. First, you will explore the mysteries of scientific properties as you create your very own slime from common household ingredients. You will also learn how to craft your own digital identity for your slime business as you produce short slime videos to market your product. Have fun with us in this combination messy science and digital class. At the end of the class, you will be able to share your slime business video with family, friends, or the world!

In order to participate in the classroom activities and projects, please have your child set up a Gmail account and password prior to the first day of class.

6/18–6/28 Mon–Thu 3–5 PM Class ID: 2982
Deadline: 6/4 PC \$159

NEW

Bodies in Motion, ages 10–12

Explore how the muscles in your body all work together to create motion and movement. You'll learn what actions our muscles perform using interactive technology to visually see what each muscle is doing. Take a daily physical challenge to test what your own muscles can do. After you investigate and learn how the body works in motion, you'll build your own robotic hand!

7/9–7/19 Mon–Thu 12:45–2:45 PM Class ID: 2956
Deadline: 6/25 PC \$159

The Secret Life of Shelter Pets, ages 10–13

Ever wonder what goes on behind the scenes at an animal shelter? Champaign County Humane Educator Alicia Schneider will give you an in-depth look at what it's like to work at an animal shelter, why pets become homeless and what can be done about it, and what it's like to be a homeless pet.

This class involves interaction with live animals and is not appropriate for those with allergies to animals or pet dander.

6/18–6/28 Mon–Thu 12:45–2:45 PM Class ID: 2927
Deadline: 6/4 PC \$159

Explore & Investigate

Gourmet Kids in the Kitchen: A Culinary World Tour, ages 11–13

Explore the amazing and tantalizing flavors of foods from different parts of the globe. Get ready to take your cooking skills to a new level as you learn to make tasty foods from south of the border, American classics from your grandmother’s kitchen, traditional country foods of Greece, and foods infused with the diverse flavors of Asia. Grab your apron for this advanced culinary course that will give you experience in preparing an international sampling for family and friends.

This class is not recommended for those with food allergies. Please bring two 3-cup containers to take home samples.

7/9–7/19 Mon–Thu 12:45–2:45 PM Class ID: 2937
 Deadline: 6/25 PC \$159

NEW

Celebrating Chinese Language and Culture

Ni hao!?! Say hello to one of the most widely spoken languages around the world, Mandarin Chinese. Join the fun in this introductory Chinese language and culture class. Try your hand at learning to write basic Chinese characters. Learn basic pronunciation and how to say numbers, colors, body parts, and family names. You will also create some Chinese art, explore writing calligraphy, and play games that introduce you to the Chinese culture and daily life. You’ll learn so much—all in Chinese!

Ages 11–13
 7/9–7/19 Mon–Thu 12:45–2:45 PM Class ID: 2951
 Deadline: 6/25 PC \$159

Ages 8–11
 7/9–7/19 Mon–Thu 3–5 PM Class ID: 2952
 Deadline: 6/25 PC \$159

Kids in the Kitchen, ages 11–13

Would you like to compete on *MasterChef Junior* or be the next *Kids Baking* champion? Join Amanda Perez-Rosser in this CFK favorite. Explore the basics of kitchen and food safety, learn basic cooking skills, and sample yummy recipes. You will learn about a variety of international cuisine from France, Mexico, Italy, and Asia. Dishes prepared will include fruits, vegetables, pastas, vegetarian dishes, and desserts.

This class is not recommended for those with food allergies. Please bring two 3-cup containers each day in order to take home leftovers.

6/18–6/28 Mon–Thu 3–5 PM Class ID: 2931
 Deadline: 6/4 PC \$159

Perform

Lights, Camera, Action, ages 8–13

Make a real TV show! Learn the fundamentals of TV production with hands-on training in camera operation, switching, lighting, titling, and audio. Work with the crew to create and star in a TV program, which may be broadcast on Parkland’s television channel, PCTV.

7/9–7/19 Mon–Thu 3–5 PM Class ID: 3012
Deadline: 6/25 PC \$159

Behind the Lines Improv Troupe, ages 11–13

Learn Improv from an expert who performed on both national and local stages. Join Alyssa Buckley, CFK’s resident comedian, in this high-energy, fun-filled class. You’ll play lots of fast paced improv games focused on creating characters, scenes, and comedic moments. Develop self-confidence, learn to be a team player, and use your improv skills in the performing arts as well as in everyday life.

6/18–6/28 Mon–Thu 3–5 PM Class ID: 2934
Deadline: 6/4 PC \$159

NEW

CFK Jazz Clinic, ages 11–13

Shake, rattle and roll with CFK’s very own jazz combo. Under the direction of Stacey Peterik, you will learn the fundamentals of the jazz style and practice these skills through performance of jazz music. Try your hand at improvising and learn about the big band sound and other forms of jazz while improving your playing skills. If you play a band instrument, drums, piano, bass, or guitar, this class is perfect for you.

All levels of musicians are welcome but it is recommended that students have at least one year of band instruction or private lessons. Bring your instrument to class each day.

7/9–7/19 Mon–Thu 12:45–2:45 PM Class ID: 2984
Deadline: 6/25 PC \$159

NEW

GarageBand Sounds, ages 11–13

Learn the GarageBand music software to compose your very own music. Use state-of-the-art computers in Parkland College’s MIDI Music Computer Lab to assemble a virtual band, arrange parts of a song, and apply cool effects to make unique sounds. Step-by-step instruction makes this process easy to learn and fun to do, even for those without any music or computer experience. You will also learn about the types of audio files and how to share these with others. By the end of the course, you will build your own “pop” song in your own style.

No prior musical or computer knowledge is required.

7/9–7/19 Mon–Thu 3–5 PM Class ID: 2922
Deadline: 6/25 PC \$159

Parkland Pitch, ages 11–13

Thanks to the wild success of *Pitch Perfect*, *Glee*, and *The Sing-Off*, a cappella music has gripped the nation like never before. Be part of an a cappella group as you learn how to sing in parts, beat box, and make funky but awesome noises with your mouth. Becky Park shares a wealth of experience, from starting an all female a cappella group during her high school years to directing award-winning high school groups in central Illinois. Join us as we make fantastic music without instruments.

6/18–6/28 Mon–Thu 3–5 PM Class ID: 2953
Deadline: 6/4 PC \$159

Parent/Guardian's Authorization

I understand that there may be certain risks of physical injury, damage, or loss which I and/or my dependents may sustain as a result of participating in any and all activities associated with Parkland College courses offered by Business Training and Community Education. In registering and participating in these courses, I expressly assume the risk and legal liability, for myself and my dependents, waiving and releasing all claims for risk connected with said courses. Furthermore, I grant Parkland College and PCTV permission to record and/or photograph myself or my dependents for future promotion. In addition, I understand that there will be no refunds for classes cancelled due to severe weather conditions, power outages, or situations that may affect the safety of the program or Parkland College.

Parent/Guardian's signature (required) _____

Summer 2018 Mail-In Registration

Parents and guardians, please indicate your class selections.

You may choose only one first-choice class per time slot within each session. Mark first choices with a “1.” Mark alternative choices with a “2” and a “3.” Placement in alternative-choice classes may be necessary if classes are full or cancelled. If your child is placed in an alternative-choice class, you will be responsible for that class fee.

All students must meet the required age by the first date of the class.

Send \$159 fee for EACH first-choice class.

Session 1: June 18–28		
↓	12:45–2:45pm	Ages
	Construction Junction	8–11 years
	Creations in Clay	8–11 years
	Day at the Zoo	8–11 years
	Kids in the Garden	8–11 years
	Kids in the Kitchen	8–11 years
	Make Your Own Movie	8–11 years
	Animation in Space	9–13 years
	Create Your Own Website	10–12 years
	3D Design Academy with TinkerCAD	10–13 years
	Lego Mindstorm	10–13 years
	Paint Like the Masters	10–13 years
	Metal and Jewelry Studio	11–13 years
	Secret Life of Shelter Pets	11–13 years
↓	3–5pm	Ages
	Engineering with Legos	8–11 years
	Around the World in Eight Days	8–12 years
	Crazy Art Paint Studio	8–13 years
	Lights, Camera, Action	8–13 years
	Pocket Sketching	8–13 years
	Slime Sensations	9–13 years
	Amazing App Inventor	10–12 years
	3D Pen Creations	10–13 years
	Vex IQ Robotics	10–13 years
	Behind the Lines Improv Troupe	11–13 years
	Kids in the Kitchen	11–13 years
	Parkland Pitch	11–13 years
	Textile & Fiber Fun	11–13 years

Session 2: July 9–19		
↓	12:45–2:45pm	Ages
	Textile & Fiber Fun	8–10 years
	Construction Junction	8–11 years
	Wild about Weather	8–11 years
	Mad for Math	8–12 years
	iPad Art	8–13 years
	Slime Sensations	9–13 years
	Bodies in Motion	10–12 years
	Vex IQ Robotics	10–13 years
	Be an Architect	11–13 years
	Celebrating Chinese Language & Culture	11–13 years
	Create Your Own Website	11–13 years
	Gourmet Kids in the Kitchen	11–13 years
	Jazz Clinic	11–13 years
	Strategy Game Making	11–13 years

	Logic Lunatics	10–13 years
	Blast Off with Rockets	11–13 years
	Garage Band Sound Studio	11–13 years

Parkland College ensures equal educational opportunities are offered to all students regardless of race, color, national origin, gender, gender expression, disability, sexual orientation, veteran/Vietnam veteran era, age, or religion, and is Section 504/ADA compliant. For additional information or accommodations, call 217/351-2551. M&PR 02-2018

Registration Information

Registrations are taken on a first-come, first-served basis. Class sizes are limited, so please register early. Classes with low enrollment will be canceled.

Registration deadlines:

Monday, June 4 for classes offered June 18–28

Monday, June 25 for classes offered July 9–19

Registration Tips:

Improve your chances of enrolling your child in their favorite classes by registering them online and early.

Please enroll your child in age-appropriate classes. All students must meet the required age for the class by the start date of the class.

The cost is \$159 per class.

Confirmation of class registration will be emailed or mailed to you once your registration is complete.

Drop-Off and Pick-Up

Classes begin at 12:45pm and 3pm. Students should be dropped off between 12:30pm and 12:45pm, or between 2:45pm and 3pm. No students may be dropped off before 12:30pm. Classes end at 2:45pm and 5pm. Late fees will be assessed in the amount of \$1 per minute after 2:45pm or 5pm. If you know that you will be late for pick-up, please call 217/353-2055 to notify staff. Please note that students taking both class times will be supervised in between those classes. Please see the map in this brochure for the drop-off and pick-up location.

Safety and Security

In an effort to maintain its high standards of safety, College for Kids requires all students to have a Parkland College photo taken on the first day of class. Staff will provide supervision during regular class times for all College for Kids students and between classes. If your child has any special needs, be sure to indicate these at the time of registration.

Reduced Tuition

Reduced tuition is available for students who receive free or reduced lunch at school.

For those who qualify for reduced tuition, the cost is \$129 per class.

Proof of eligibility for free or reduced-cost lunch is required; you may request this documentation from your child's school.

Documentation must be provided within seven days of the completed registration or the child will be dropped from the class.

To register and receive the reduced tuition, please use our online registration system. When checking out, enter the code CFKSUM18. Select APPLY CLASS CODE and the price will be automatically adjusted. Continue by selecting CHECKOUT.

Scholarships

A limited number of scholarships are available for students who qualify for reduced tuition.

Please print the scholarship form from www.parkland.edu/cfk, or e-mail btce@parkland.edu for more information.

Online registration is not available for scholarship applicants.

Only one scholarship for one class will be awarded per student. Refunds will not be given for classes that are awarded by scholarship.

Scholarships are made possible by the Parkland College Foundation and the Junior League of Champaign Urbana.

Class Cancellation

College for Kids reserves the right to cancel any class not meeting the minimum enrollment. Cancellations will be made the day after the registration deadline. In the event of a cancellation, we will attempt to place your child into an available class with your permission. Requests for refunds will only be granted until the registration deadline.

FOUR EASY WAYS TO REGISTER

ONLINE

parkland.edu/btceRegister. Browse > Youth & College for Kids > College for Kids. Please note that you must set up a household profile first and list the parent/guardian's name as the primary person on the account. Parent/guardian's birthdate is required. Credit card payments only.

IN PERSON

Fill out the registration form (one per child), sign it, and bring it to 1315 N. Mattis Avenue in Champaign. Credit card/check/cash accepted.

BY MAIL

Fill out the registration form (one per child), sign it, and mail it to 1315 N Mattis Avenue, Champaign, IL 61821. Checks only, or call to complete credit card transaction at 217/353-2055.

BY FAX

Fill out the registration form (one per child), sign it, and fax it to 217/351-5928. Please call 217/353-2055 to complete credit card transaction, or appear in person to pay by check or cash.

Payment must be received before the student is registered into the class.

YOUTH PROGRAMS

Archery for Youth, ages 10–18

Channel your inner Katniss Everdeen and learn the sport of target archery. Join experienced coach Matt Stacher at Hunters Haven indoor range to learn how to shoot a bow and arrow properly. You'll learn technique from stance to release and safety while you get hands-on instruction.

Bow and arrows provided.

6/4–6/25	Mon 6:30–8 PM	Class ID: 3027
Deadline: 5/28	Hhaven	\$59

Horseback Riding, ages 12–15

Learn the fundamentals of horsemanship in semiprivate weekly lessons with Megan Tyler. Emphasis is on balance, control, and safety principles as you learn to properly communicate with and care for a horse. If you have a love for horses or riding, experienced or not, this is a great class for learning and developing your skills.

Parent or guardian must attend orientation from 6–7pm with child. Semiprivate lessons to be arranged; 1 hour per week for a total of 8 lessons.

6/6	Wed 6–7 PM	Class ID: 2908
Deadline: 5/30	PC-B124	\$389
9/5	Wed 6–7 PM	Class ID: 3111
Deadline: 8/29	PC-B124	\$389

NEW

Fandom Art Studio, ages 8–13

Where does your loyalty lie? Is it with Star Wars, Marvel Comics, or Harry Potter? Choose your favorite science fiction or fantasy series and begin creating art work that honors these epic characters and stories. You will work with other fans to create 2D or 3D artwork that best reflects your loyalty. You will learn about pop artists from the 1960s to present day and explore fandom culture with instructor Rusty Clevenger.

Art supplies included.

9/8–9/29	Sat 2–4 PM	Class ID: 3201
Deadline: 9/1	PC-C191	\$85

Youth Camps

Automotive Camp

Do you love cars? Do you have the “drive” to learn how to maintain your own vehicle or possibly explore a career as an automotive technician? Tinker with us at Parkland’s state-of-the-art facility, the Parkhill Applied Technology Center, where you will learn the basics of automotive technology. At this hands-on camp, you will learn how to complete a vehicle safety inspection and perform basic maintenance tasks.

Lunch and T-shirt provided.

Ages 14–16

6/11–6/14	Mon–Thu 9 AM–3 PM	Class ID: 2912
Deadline: 5/28	PC-T112	\$159

Ages 16–18

6/18–6/21	Mon–Thu 9 AM–3 PM	Class ID: 2913
Deadline: 6/4	PC-T112	\$159

Location Key: **BTCE** Parkland College Business Training & Community Education 1315 N Mattis Ave, C • **CrkGlass** Cracked Glass 602 E High St, U • **ES** Eastland Suites 1907 N Cunningham Ave, U • **HiCaliber** High Caliber Training Center, 1414 Triumph Dr, U • **HHaven** Hunter’s Haven 1040 W Bloomington Rd, C • **HP** Parkland Health Professions 1309 N Mattis Ave, C • **PC** Parkland College MAIN CAMPUS 2400 W Bradley Ave, C

Youth Camps

Land Surveying and Mapping with Technology Camp, ages 13–18

Do you know where your backyard ends and your neighbor's yard begins? Have you ever wondered how maps are designed? A land surveyor can tell you. Land surveyors use high-tech digital equipment to measure things on, above, and below the ground to make detailed maps. Learn to use a high-accuracy GPS, lasers, telescopes, and tablet computers to make 3D digital maps of buildings and landforms. Todd Horton, a professional land surveyor, will help you experience how professional land surveyors use the latest high-tech tools to create maps and use them to make decisions to build structures and develop land.

Lunch and T-shirt provided.

6/11–6/14	Mon–Thu 9 AM–3 PM	Class ID: 2914
Deadline: 5/28	PC-M143	\$159

Machining and Welding—Industrial Technology Camp, ages 13–18

Do you want to learn to bend metal with your hands like Superman? We can't teach you how to do that, but we can teach you to use a manual lathe to manipulate metal. We can also show you how to weld metal together and harden steel using heat treatment methods. If you are "maker minded," you will be challenged by what this camp features: hands-on, high-tech lab work using the latest technology in the manufacturing industry. You will design and take home several projects.

Lunch and T-shirt provided.

7/9–7/19	Mon–Thu 9 AM–3 PM	Class ID: 2910
Deadline: 6/25	PC-T123	\$209
7/23–8/2	Mon–Thu 9 AM–3 PM	Class ID: 2911
Deadline: 7/9	PC-T123	\$209

NEW

Motorsport Camp, ages 16–18

Make your summer louder and faster! Car racing enthusiasts will love this day camp devoted to an introductory look at the motorsport industry. Learn how to measure rear wheel torque and horsepower with a chassis dynamometer. Take a tour of a local racing shop. Learn about Parkland Motorsport student built and driven race cars.

Optional weekend outing: join Parkland Motorsport students at the race track to put what you've learned to the test. Prior automotive camp or courses taken at Parkland College required.

Lunch and T-shirt provided.

6/25–6/28	Mon–Thu 9 AM–3 PM	Class ID: 3028
Deadline: 6/18	PC-T112	\$159

NEW

Parkland CSI Experience, ages 14–16

There has been a crime and Parkland CSI is on the case. Unravel the mystery as part of a Parkland CSI team that will conduct a fast-paced crime investigation. Use cutting edge technology and interact with forensic experts, law enforcement agents, and media professionals to build a body of evidence, find the culprit, and inform the public. Note: there will be graphic content simulating a crime scene.

Lunch and string bag included.

6/18–6/28	Mon–Thu 9 AM–3 PM	Class ID: 2976
Deadline: 6/4	PC-Planetarium Lobby	\$209

First Gig Rock 'n Roll Camp, ages 10–17

Play in a band! Jam with the pros! Be a rock star! Led by 20+ musicians who have years of studio and live performance experience, you will enjoy a week full of learning and fun. You'll be placed in a band with other students and led by a professional musician. Through the week, you will work with your band and band leader to develop your band's live show. You'll find this camp stands out from any other summer program as you immerse yourself in the life of a rock star. Make friends, fuel your passion for music, and have fun!

Camp includes lunch, lunch talks with guest speakers, and conversations with local and regional artists in the field of music.

What to bring:

Guitarists: bring an electric guitar, guitar strap, small amp, extra strings, guitar picks, and a cable.

Bass players: bring an electric guitar, guitar strap, small amp, extra strings, guitar picks, and a cable.

Drummers: bring your kit the first day (it will remain secure for the duration of the camp), drumsticks, and a practice pad.

Keys: bring keyboard and stand.

Please escort your child to the classroom.

6/11–6/15	Mon–Fri 9 AM–5 PM	Class ID: 2915
Deadline: 5/28	PC-C148	\$299

COMPUTERS & TECHNOLOGY

Basics

Beginner Beginner Computers

Start with the basics. What is a computer? What does a computer do? Learn how to turn on a computer. You'll also learn efficient use of the mouse and important computer terms. If you're thinking about buying a new computer or tablet, you'll get tips and information in this class. Students rave about instructor Jane Bateman's patience and warm, helpful manner.

9/5-9/26 Wed 1-3 PM Class ID: 3128
 Deadline: 8/29 BTCE \$69

Beginner Computers

If you have a nodding acquaintance with the computer, try this class. Jane Bateman, who is great at giving students all the individual attention they need, will show you how to format a document; copy, cut, and paste; find files; save; and do much more. You'll also learn how to use a USB (flash) drive for saving and storing files such as documents and pictures.

6/25-7/16 Wed 1-3 PM Class ID: 3240
 Deadline: 9/26 BTCE \$69

NEW

Google: More of What You Need to Know

The exploration and possibilities are endless with Google! Explore the remaining Google Suite programs which include Sheets, Slides, Forms, and Drawings. Learn the basics needed to use the programs effectively. Amanda Romine and Kendall Huffman will walk you through each program and allow time to practice working within each to gain hands-on experience. *Suggested prerequisite:* Google: What You Need to Know

6/18 Mon 8-10 AM Class ID: 3025
 Deadline: 6/11 BTCE \$99

NEW

Google: Advanced Features

Already know the basics of Google Suite? Explore the leading-edge features of the platform with experts Amanda Romine and Kendall Huffman. Discover and use advanced elements to truly get the most of the programs. In addition, learn about using add-ons, extensions, as well as third party apps that can be used with the Google platform.

Suggested prerequisite: Google: More of What You Need to Know

6/25 Mon 8-10 AM Class ID: 3026
 Deadline: 6/18 BTCE \$99

Desktop Applications

Access Level 1

Review the basic functions and features of Access with Wanda Plawer. After an introduction to database concepts, the Access environment, and Help Systems, you will learn how to design and create databases; work with tables, fields, and records; sort and filter data; set field properties and data entry rules; and create queries, forms, and reports.

Prerequisite: Windows XP, Vista, 7, or equivalent knowledge.

Book and data files will be provided for use during class and to reference at home or in the office.

7/11-7/18 Wed 12:30-5 PM Class ID: 3109
 Deadline: 7/4 BTCE \$199

Desktop Applications

Access Level 2

Discover how to normalize data, manage table relationships, and enforce referential integrity with Wanda Plawer. Work with lookup fields and sub-datasheets; create join queries, calculated fields, and summary values; add objects to forms and create advanced form types; print reports and labels; create and modify charts; and use pivot tables and pivot charts.

Prerequisite: Microsoft Access Level 1 or equivalent knowledge. Book and data files will be provided for use during class and to reference at home or in the office.

8/22–8/29 Wed 12:30–5 PM Class ID: 3110
 Deadline: 8/15 BTCE \$199

Excel Essentials

Learn the basic and essential concepts of formulas, functions, and shortcuts for Microsoft Excel 2016 in this hands-on class. Become familiar with how to create, modify, format, and print worksheets. Practice data files will be provided for you to use and apply your new skills, knowledge, and confidence. The small class size allows for conversation and instruction from instructor Wendy Barker.

In addition to Excel Essentials, it is recommended to take Excel: Formatting Like a Pro.

8/21 Tue 1–5 PM Class ID: 3182
 Deadline: 8/14 BTCE \$99

Excel: Formatting Like a Pro

Do you want to make your worksheets look engaging, easy to read, and professional? Learn the ins and outs of formatting as well as simple tips and tricks to quickly clean up your spreadsheets. Learn shortcuts to adjust column and row sizing, apply special number and date formats, use font color, fill cell, and borders effectively, apply cell styles, master format painter, and discover conditional formatting.

8/28 Tue 1–3 PM Class ID: 3183
 Deadline: 8/21 BTCE \$75

Excel: Function, Function, What's Your Function?

Do you want to get more out of Excel? Have you ever needed to pull specific data out of a spreadsheet? Or thought to yourself, there must be an easier way? We will unravel the mystery of functions by showing the most useful functions in Excel. We will start with logical functions (IF, SUM IF, SUM IFS), move on to conditional functions (And, OR) and then learn how to find and retrieve data with the VLOOKUP, HLOOKUP, MATCH and INDEX functions. We will also take a look at text functions (LEFT, RIGHT, MID, PROPER, UPPER, LOWER, TRIM) and work with date functions (TODAY, NOW, NETWORKDAYS, WEEKDAY, DATE). Students will learn how to combine functions and understand the syntax of functions to be able to apply what they have learned to other functions.

9/11 Tue 1–5 PM Class ID: 3184
 Deadline: 9/4 BTCE \$99

Excel: Pivot Tables, Charts, and Dashboards, Oh My!

Learn the essentials regarding managing data and creating pivot tables in Excel. You will use pivot tables to summarize, sort, count, and chart your data. Learn how to build pivot tables from single or multiple data sources, add calculated fields, and format your layout to make it easy to read. You will also be creating pivot charts, slicers, and dashboards to help visualize your data. In addition, you will learn how to use the new data model feature to build pivot tables from related tables.

9/25 Tue 1–5 PM Class ID: 3185
 Deadline: 9/18 BTCE \$99

Excel: Introduction to Macros

Advanced Excel users encounter repetitive tasks such as reports that need to be produced, data that needs to be updated, or tables that need to be formatted on a regular basis. Using macros, many of these routine tasks can be automated. Learn to record the steps or operations that you want to perform, and then press a button to repeat them over and over again (and again).

10/2 Tue 1–3 PM Class ID: 3186
 Deadline: 9/25 BTCE \$75

Excel: Power User

This jam-packed, fast-paced class provides an overview of the most powerful and time-saving Excel techniques. It's for those who are currently using Excel and already know the basics and now need to learn other features of Excel like viewing, linking, and printing large worksheets and workbooks, advanced sorting and filtering, creating subtotals, naming ranges, using flash fill, and data management.

10/16 Tue 1–5 PM Class ID: 3187
 Deadline: 10/9 BTCE \$99

Adobe Photoshop CC: Essential Skills

Adobe Photoshop is the de facto industry standard for photographic editing and is now available through the Adobe Creative Cloud at a greatly reduced cost. Join Adobe Education Trainer Phil Nyman and explore the powerful features used by graphics professionals worldwide. Learn essential techniques that will help you add WOW! to your everyday snapshots. Apply red-eye, color, shadow, and highlight corrections. Work with layers, masks, and channels to select the portions of a photo of most interest. Retouch and repair portions of images, and remove scratches from scanned photos. Use post-production effects such as vignetting, compositions, glow, grain, and blur overlays to make your pictures pop. Best of all, no previous experience with Photoshop is required.

9/18 Tue 3–5 PM Class ID: 3114
 Deadline: 9/11 BTCE \$99

Boot Camp

Join certified instructor Lindsay Riesel for a workout that burns calories, tones all the major muscle groups, and incorporates cardio drills to strengthen the heart. Get yourself going, get your effort showing, and start feeling truly fit.

8/21–10/11 Tue & Thu 6–7 AM Class ID: 3140
 Deadline: 8/14 PC-P206-Gym \$99

Core and More

Strengthen and tone the muscles of your midsection (abs, obliques, back, hips, and buns) to aid in stability and balance and improve posture. AFAA-certified instructor Rena Leake includes a brief upper-body or cardio workout to ensure fun and fitness!

8/22–10/10 Wed 5:30–6:30 PM Class ID: 3151
 Deadline: 8/15 PC-P210 \$69

Group Cycling

Cycling is a great way to get an effective workout. Tamala Everett, certified in Spinning, leads an energetic ride in which you control the resistance on your bike to make the pedaling as easy or as difficult as you choose. Expect to be motivated, sweat, and have fun while riding with friends.

9/10–10/22 Mon 12–12:45 PM Class ID: 3133
 Deadline: 9/3 PC-P210 \$59

Dance Fit

Get fit in an exciting and entertaining new class. Fitness instructor Rena Leake challenges your flexibility and expectations, by combining music and dance styles from American country line dance, Irish dance, and Salsa with specific form training, to build strength and improve balance.

No dance experience required. All fitness levels welcome. Dress in clothing that allows you freedom to move.

8/20–10/15 Mon 5:30–6:30 PM Class ID: 3153
no class 9/3
 Deadline: 8/13 PC-P105 \$69

Gentle Yoga

Gentle Yoga links movement with breath, and mind-body focus, to help you shed unwanted weight, strengthen and tone muscles, increase flexibility, improve balance, and decrease stress. Instructor Allen Dick, certified E-RYT 200, brings a deep understanding and dedication to this popular class. He welcomes participants at all levels, and encourages progress at each individual's pace.

Bring a yoga mat.

8/16–10/4 Thu 5:30–6:30 PM Class ID: 3135
 Deadline: 8/9 PC-P105 \$69

 = **More fun with a friend!**

Warrior Goddess Training: Book Discussion

It's no secret that women today are juggling a lot. Women make up more than half the workforce in the United States and are busier than ever with partners, children, family, and friends, often putting the needs of others ahead of our own. If we feel overwhelmed by it all or fall short of perfection, many of us have learned to be our own worst critic rather than our own best friend. In *Warrior Goddess Training*, bestselling author HeatherAsh Amara provides the antidote to the flawed idea that you are not enough. Direct, honest, and unapologetic, Amara will show you how to release the layers of expectations to become the authentic, perceptive, perfect woman you really are. Join a small group of ladies, all looking to grow, both personally and professionally. Bring your lunch, questions, and stories and discover a new and refreshed view moving forward. If you don't love and honor yourself with every fiber of your being, if you struggle with owning your power and passion, if you could use more joyful play and simple presence in your life, then it's time for an inner revolution—it's time to claim your Warrior Goddess energy!

A copy of the book will be provided to you at the first meeting. Bring your own lunch and beverage.

8/31–10/26
Deadline: 8/24

NEW

Plein Air with Pastels or Paint

Learn basic landscape concepts using pastels or paint with artist Paula McCarty, MFA. Explore techniques used to create believable depth and to simplify texture. In the first session you'll get comfortable with your chosen medium, and materials, then have the opportunity to meet in “open air” sites around the community to continue your works.

This class is appropriate for beginners and experienced artists. A supply list will be provided before the first class meeting. Students investing in their first set of pastels can expect an additional expense of approximately \$60.

8/25–9/29 no class 9/1	Sat 3–5:45 PM	Class ID: 3106
Deadline: 8/18	PC-C190	\$169

Drawing Fundamentals

Anyone can learn to draw. Discover the fundamental techniques and applications of observational drawing. Artist Jackie Tice will guide you through exploration of line and contour, shape and form, light and shadow, space and depth, and proportion and perspective. Get acquainted with a range of materials and drawing media as you discover more about the visual arts.

Supply list available online.

9/10–10/1	Mon 6–8:30 PM	Class ID: 3116
Deadline: 9/3	PC-C188	\$89

Drawing Fundamentals 2

Continue to discover and improve your drawing techniques, with artist Jackie Tice. Apply what you've learned by exploring more of your personal style and preferred materials. This class is the next best step for those interested in broadening their understanding of how to express more individual ideas through this familiar medium. New techniques and challenges will be introduced.

Drawing Fundamentals is not required, but helpful. Supply list available online.

10/15–11/5	Mon 6–8:30 PM	Class ID: 3117
Deadline: 10/8	PC-C188	\$89

Beginning Stained Glass

Bring the beauty of stained glass into your life with glass experts from the renowned shop and studio Cracked Glass. Complete at least two projects and learn glass pattern cutting, copper foil construction, soldering techniques, and copper foil panel repair.

You will need to supply a soldering iron and materials for your second project.

6/26–7/31	Tue 6:30–9 PM	Class ID: 2881
Deadline: 6/19	CrkGlass	\$159

Glass Fusing and Slumping

Experts from Cracked Glass will guide you in making plates, coasters, bowls, jewelry, and decorative art by fusing glass. Learn how to cut and assemble glass for firing, use accessory glass, include non-glass materials, and draw or paint on glass. Topics include incorporating fused glass in stained-glass projects and kiln operation. Complete more than 10 fused items! No previous glass-cutting experience required.

Some supplies included. You will need to supply your own glass cutter, breaking pliers, and purchase some project materials.

6/27–8/8 no class 7/4	Wed 6:30–9 PM	Class ID: 3086
Deadline: 6/20	CrkGlass	\$179
6/30–8/4	Sat 9–11:30 AM	Class ID: 2882
Deadline: 6/23	CrkGlass	\$179

Music

Songs of the Civil War

With old-time musicians Hilary Valentine and Rebecca Grosser you'll discover or rediscover songs that boosted soldiers' morale and helped families through a turbulent four years. Learn the stories behind Civil War-era songs, including "Lorena," "Goober Peas," and "When Johnny Comes Marching Home." Become familiar with songs inspired by the Civil War, such as "Two Soldiers," "Follow the Drinking Gourd," and "Faded Coat of Blue."

All voice types and acoustic stringed instruments welcome.

7/30 Mon 7-8:30 PM Class ID: 3096
 Deadline: 7/23 PC-C142 \$29

Folk Music and Social Activism

Challenging times have always brought purpose, people, and music together. Music enthusiasts Hilary Valentine and Rebecca Grosser present the enduring songs and influential musicians from the Dust Bowl to the workers' rights movement to the Vietnam War. Learn the best of Country Joe McDonald, Woody Guthrie, Pete Seeger, and Jean Ritchie, among several others.

All voice types and acoustic stringed instruments welcome.

8/13 Mon 7-8:30 PM Class ID: 3097
 Deadline: 8/6 PC-C142 \$29

The Folk Revival

Hilary Valentine and Rebecca Grosser lead you in stories and songs that inspired and were written during the folk revival of the mid-20th century. The Weavers, the Kingston Trio, and Peter, Paul, and Mary are beloved troubadours of a dynamic and dramatically changing period in American history. Learn their music. Love it all over again.

All voice types and acoustic stringed instruments welcome.

8/27 Mon 7-8:30 PM Class ID: 3098
 Deadline: 8/20 PC-C142 \$29

Beginning Mountain Dulcimer

Dust off your mountain dulcimer and learn to play old-time songs. Folk music enthusiast and musician Hilary Valentine loves this simple American instrument with a rich Appalachian folklore history.

Bring your dulcimer.

9/10-10/8 Mon 7-8:30 PM Class ID: 3099
 Deadline: 9/3 PC-C142 \$69

Intermediate Mountain Dulcimer

Learn new techniques, develop and improve your playing style, and build your musical repertoire with folk music enthusiast Hilary Valentine.

Bring your dulcimer.

10/22-11/19 Mon 7-8:30 PM Class ID: 3100
 Deadline: 10/15 PC-C142 \$69

Community instrumentalists and vocalists are invited to join Parkland College ensembles. Audition required. \$25 registration fee.

FOOD & BEVERAGE

Quick and Easy Desserts

No one wants to spend hours in a hot kitchen during the summer. So, Amanda Perez Rosser will help you keep your cool, with recipes for quick and easy desserts, including palmiers, cheesecake bites, empanadas, and Rocky Mountain pizza.

6/13 Wed 6–8 PM Class ID: 2906
 Deadline: 6/6 PC-X118 \$59

Creative Cupcake Design

Make them cute. Make them cool. Make them decadent, and make them delicious. Cupcakes are the current craze. Experienced baker and cake designer Heidi Gerber shares baking and decorating tips and frosting techniques so you can surprise friends and family with gourmet goodies.

A supply list will be provided before the first class meeting.

9/11–9/25 Tue 6–8 PM Class ID: 3137
 Deadline: 9/4 PC-X118 \$59

Pickle It!

Foodies are raving about pickles! It's a simple process, and they make great gifts. Preserving expert Heidi Gerber will walk you through the various steps and can suggest what to plant so your garden will provide the best ingredients for your own sweet, spicy, or simply savory specialty.

9/4 Tue 6–8 PM Class ID: 3144
 Deadline: 8/28 PC-X118 \$59

Home Canning: Introduction

Capture the fresh taste of fruits and vegetables year-round as you learn the canning process. Chris Zwilling will guide you through hot-water bath canning, kitchen safety, essential equipment, food preparation, and step-by-step instructions.

8/15 Wed 5:30–7:30 PM Class ID: 3121
 Deadline: 8/8 PC-X118 \$35

Home Canning: Next Steps

Take your canning skills to the next level as you learn the pressure cooker canning method. Learn which foods are suitable for hot-water bath and which require a pressure cooker for canning. Chris Zwilling will teach you safe and effective food processing with a pressure cooker, advanced canning techniques, and how to can foods such as beans, vegetables, and meats.

Prerequisite: Home Canning: Introduction or equivalent experience.

9/5 Wed 5:30–7:30 PM Class ID: 3224
 Deadline: 8/29 PC-X118 \$39

Introduction to Wine Making

Chris Zwilling will walk you through the basics of turning grapes and other fruits into wonderful bottles of wine for sipping and sharing with family and friends. Learn the principles of fermentation, acidity levels, and the role of sugar as you bottle your own first batch. See how an avocation turns into a vocation when you visit Sleepy Creek Vinyards in Oakwood.

Must be 21 years of age. Wine making kit included.

9/12–26 Wed 5:30–7:30 PM Class ID: 3124
 Deadline: 9/5 PC-X118 \$129

Introduction to Homebrewing

Discover how to brew your favorite beer in your own kitchen with home brewer Jared Lofrano. We will discuss the theory and practice of brewing as well as how to get started brewing great, handcrafted beer.

Must be 21 years of age. Supplies provided.

9/29 Sat 2–5 PM Class ID: 3120
 Deadline: 9/22 PC-X118 \$69

Earn your Food Service Sanitation Manager Certification, see p. 41 for the Food Service Sanitation course details.

HOME & GARDEN

Furniture Upholstery

Why buy new and expensive furniture when you can upholster what you already own? With more than 50 years' experience, Dorothy and Dave Deem are among the top upholsterers in this community. Bring that old chair, sofa sectional, or bench and learn to work magic on it.

A supply list will be sent before class. You will need to purchase your own fabric after the first meeting.

9/10–11/26	Mon 6–9 PM	Class ID: 3211
Deadline: 9/3	PC-T142	\$189

Overwintering Honey Bees

Learn to give the assistance that one third of your bees may need as winter approaches. Maggie Wachter will discuss the tactics that honey bees use to survive the long winter months and thrive in the spring and summer. She will carefully review fall and winter hive preparations that beekeepers can carry out to improve honey bee survival. This class is for beekeepers and others who are concerned with honey bee survival.

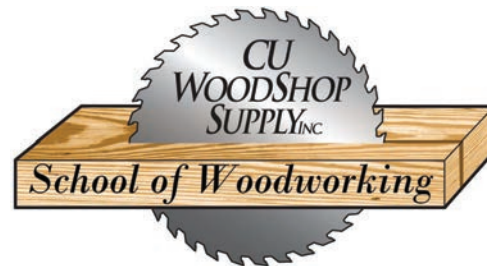

9/19	Wed 6–8 PM	Class ID: 3223
Deadline: 9/12	BTCE	\$29

NEW

Fall Crops and Cold Frames

Your fresh vegetables don't have to end when summer does. Learn which plants are best for post-summer production, and how to tend them. Then, review the skills and materials needed to create cold frames, to promote the best possible yield, and keep the deliciousness growing into the fall. Gardening educator and enthusiast Becky Prather will guide and provide advice.

7/26–8/2	Thu 6–8 PM	Class ID: 3232
Deadline: 7/19	BTCE	\$49

Introduction to CNC Router

The CNC router is a tool for repeatable cutting and carving with increased accuracy in decreased time. Woodworking shops, furniture makers, and hobbyists can learn the fundamentals of connecting computer-aided design and manufacturing (CAD/CAM) software using the popular VCarve Pro package. Allan Tuchman will guide your progress as you learn the programs and create your own wooden sign using a CNC machine.

Prerequisite: comfort working with Windows PCs and using a computer mouse. Experience with design, graphics, or photo editing software is helpful. An additional 2-hour session will be arranged at your convenience to complete your CNC router project at CU Woodshop.

9/11–9/18	Tue & Wed 6–8 PM	Class ID: 3222
Deadline: 9/4	BTCE	\$245

See Introduction to Welding, page 41.

RECREATION

Learn to Sail Clinton Lake

Come sail away on Clinton Lake! Learn sailing basics from a U.S. Sailing Certified instructor during this classroom orientation, and a FREE 2-hour, instructor-led lesson aboard a 19-foot Flying Scot. In both sessions, you'll cover topics such as the parts of a sailboat, how a sail works, points of sailing, and most importantly, safety guidelines. A textbook/guidebook for the course will be available for purchase from the instructor for \$10. This course will help you gain basic knowledge and skills necessary for obtaining your small-boat certification. Additional training and certification programs are available through the Clinton Lake Sailing Association. This program is offered in partnership with the Clinton Lake Sailing Association.

*FREE HANDS-ON INSTRUCTION (select your date at orientation):
Wednesday, June 27–October 24.*

Illinois Concealed Carry-16 Hour

Navigate the training necessary for Illinois residents to receive a concealed-carry permit, with instruction by High Caliber and Indoor Range. This class is for those who are not exempt from state requirements and need the full 16 hours. The first half of the course covers safe gun handling, handgun nomenclature and operation, shooting fundamentals with hands-on activities, range rules, the basics of cleaning a handgun, and continued opportunities for skill development. The second half of the course consists of lectures with questions and answers on the Illinois Concealed Carry Act, use of force, unlawful use of weapons, holster options, and draw techniques. The live qualification shoot is done to finalize the completion of the course. Upon the successful completion of the course, participants will receive the Illinois State Police Concealed Carry Firearm Training Certificate.

Please bring your own safety glasses and hearing protection. Participants must provide their own concealable handgun and 30 rounds of ammunition. A holster is not required. Must be 21 years of age. An Illinois Firearm Owner Identification (FOID) card is required for participation.

6/16-6/17	Sat & Sun 8 AM-5 PM	Class ID: 3020

Deadline: 9/9	HiCaliber	\$100

NRA Basic Pistol Shooting

Explore the basics of pistol shooting using NRA course content taught by High Caliber and Indoor Range instructors. This course covers firearm safety and the principles of marksmanship, including proper grip, stance, ready position, sight alignment, sight picture, and trigger control. You will also learn proper care and cleaning of a firearm, ammunition identification and selection, and the proper method for loading and unloading a firearm.

Please bring your own safety glasses and hearing protection. Ammunition and a handgun will be provided for the completion of course objectives. Successful completion of this course counts as 8 hours of state-recognized credit to apply to Illinois Concealed Carry training. An Illinois Firearm Owner Identification (FOID) card is not required for participation.

6/23	Sat 8 AM-5 PM	Class ID: 3016
Deadline: 6/16	HiCaliber	\$110

NRA Range Safety Officer Program

The nationally recognized NRA Range Safety Officer (RSO) program is a great credential for anyone shooting or working at an indoor or outdoor range. To pass the course, you must demonstrate the knowledge, skills, and attitude essential to organizing, conducting, and supervising safe shooting activities and range operations. The content consists of an RSO's roles and responsibilities, range standard operating procedures, range inspection and range rules, firearm stoppages and malfunctions, and Range Safety Briefings which include procedures to follow in the case of an emergency.

Please bring your own safety glasses and hearing protection. Must be 18 years of age. FOID card is required.

9/29	Sat 8 AM-6 PM	Class ID: 3231
Deadline: 9/22	HiCaliber	\$100

TRAVEL

Giertz Gallery Art Expedition: Chicago Architecture River Cruise

Experience the top tour in Chicago and one of the top 10 tours in the U.S., according to TripAdvisor users, with gallery director Lisa Costello. The Chicago Architecture Foundation River Cruise is a must for out-of-towners and Chicagoans alike. Discover the history and importance of more than 50 buildings along the Chicago River. You'll find out how the city grew from a small settlement into one of the world's largest cities in less than 100 years. You can enjoy a few hours on the riverwalk shopping, sightseeing, and dining on your own before climbing aboard Chicago's Finest Fleet for a 90-minute Architecture River Cruise. Learn about the design of more than 50 buildings, including Aqua by architect Jeanne Gang (the tallest building ever designed by a female-led architecture firm), the Historical Montgomery Ward Complex, the Chicago Mercantile Exchange, and the Leo Burnett Building. Seating is limited. Don't miss your chance to experience one of the most unique ways to view the Windy City.

This trip is a collaborative fundraising effort between Community Education and Giertz Gallery to assist with art gallery exhibits and programming.

This trip may keep you on your feet for periods of time. If mobility/accessibility is an issue for you, please contact our office with any questions before registering. Registration fee includes transportation and admission. Lunch is additional. Bus departs from BTCE parking lot. No refunds after the deadline.

7/26	Thu 7:30 AM–7:30 PM	Class ID: 3200
Deadline: 7/12	BTCE	\$95

NEW American Writer's Museum

Indulge your love for literature and all other genres of writing with a visit to the American Writers Museum in Chicago. Immerse yourself in the lives of well-known and emerging authors, through the museum's displays and activities that span the writing experience. During the afternoon, you'll have the opportunity to sample and shop at two of the city's premiere independent bookstores. With tea and coffee shops nearby, it'll be a reader's dream of heaven.

This trip may keep you on your feet for periods of time. If mobility/accessibility is an issue for you, please contact our office with any questions before registering. Registration fee includes transportation and admission. Lunch is additional. Bus departs from BTCE parking lot. No refunds after the deadline.

9/5	Wed 7:30 AM–7:30 PM	Class ID: 3193
Deadline: 8/22	BTCE	\$69

Armchair Travel

Join us for presentations on lands both near and far. Enjoy coffee and cookies as part of a leisurely afternoon.

Moscow and St. Petersburg

Shirley Splittstoesser will guide you thru two of the great cities of the world. She'll share her impressions of their glorious pasts, and the parts they continue to play on the diplomatic and cultural stages.

9/18 Tue 1:30-3 PM

NEW

North Grove Schoolhouse and Ellwood House Museum

Travel back in time and back to school with a visit to the historic North Grove Schoolhouse. Reading, 'riting, and 'rithmetic were the curriculum at this lovingly restored one-room school in Sycamore, Illinois. After lunch in DeKalb, we'll tour the Ellwood House Museum to learn about the family's vision and aptitude for business as well as Isaac Ellwood's role in the development of barbed wire.

This trip may keep you on your feet for periods of time. If mobility/accessibility is an issue for you, please contact our office with any questions before registering. Registration fee includes transportation and admission. Lunch is additional. Bus departs from BTCE parking lot. No refunds after the deadline.

9/12 Wed 7:30 AM-7:30 PM Class ID: 3194
 Deadline: 8/29 BTCE \$65

NEW

Giertz Gallery Art Expedition: SAMARA: Frank Lloyd Wright in West LaFayette

Join gallery director Lisa Costello and art instructor Laura O'Donnell for a day trip to view the John and Catherine Christian House in West LaFayette, Indiana. In the early 1950s, Purdue University professor John Christian and his wife Catherine dreamed of a home that would serve both their desire to entertain faculty, staff, and students and be a lasting place for their family. Research, perseverance, and a touch of luck led the Christians to Frank Lloyd Wright with whom they built their dream home named SAMARA by Wright. Special arrangements have been made in order to experience this pristine example of Frank Lloyd Wright's Usonian architecture. The home affords visitors the rare, immersive opportunity to experience Mr. Wright's fully realized design just as if they were guests of the family. After viewing the home we have some time downtown for lunch on your own before heading back to Champaign.

This trip is a collaborative fundraising effort between Community Education and Giertz Gallery to assist with art gallery exhibits and programming.

This trip may keep you on your feet for periods of time. If mobility/accessibility is an issue for you, please contact our office with any questions before registering. Registration fee includes transportation and admission. Lunch is additional. Bus departs from BTCE parking lot. No refunds after the deadline.

9/17 Wed 7:15 AM-8:15 PM Class ID: 3234
 Deadline: 8/24 BTCE \$85

NEW

Historic Hannibal, Missouri

Samuel Langhorne Clemens, "Mark Twain," and Margaret Brown, "The Unsinkable Molly Brown," are two of Hannibal, Missouri's most beloved sons and daughters. Early 19th-century life, Twain's earliest novels, and Brown's childhood experiences are the focus of museums, shops, and historic sites that will be open for our full day of exploration.

This tour may keep you on your feet for periods of time. If mobility/accessibility is an issue for you, please contact our office with any questions, prior to registering. Registration fee includes transportation and admission. Lunch is additional. Bus departs from BTCE parking lot. No refunds after the deadline.

Tea and Spice Tour of Evanston

Our contemporary tea and spice route is far more easily traveled than those of history, but no less intriguing and our cargo no less precious. Visit, shop, and hear the history of these revered commodities at several of the most respected tea and spice retailers in Evanston. Stop for a tea tasting and enjoy the relaxed atmosphere of this beautiful suburb's business district. Culinary anthropologist Evelyn Thompson will guide our tour and provide history and tips on international cuisines.

This trip may keep you on your feet for periods of time. If mobility/accessibility is an issue for you, please contact our office with any questions before registering. Registration fee includes transportation and admission. Lunch is additional. Bus departs from BTCE parking lot. No refunds after the deadline.

Voss Pecan Farm and The Big Things in Casey

Discover the source of an annual harvest of 60,000 pounds of pecans—just 5 miles outside of Carlyle, Illinois. You'll get to observe the harvesting, processing, and packaging of the Voss Family's superior product. After lunch in Casey, we'll tour their downtown full of "Big Things," including the world's largest mailbox, an enormous rocking chair, wind chime, pencil, knitting needles, and more. It's put Casey on the map, and on the list of our state's favorite roadside attractions.

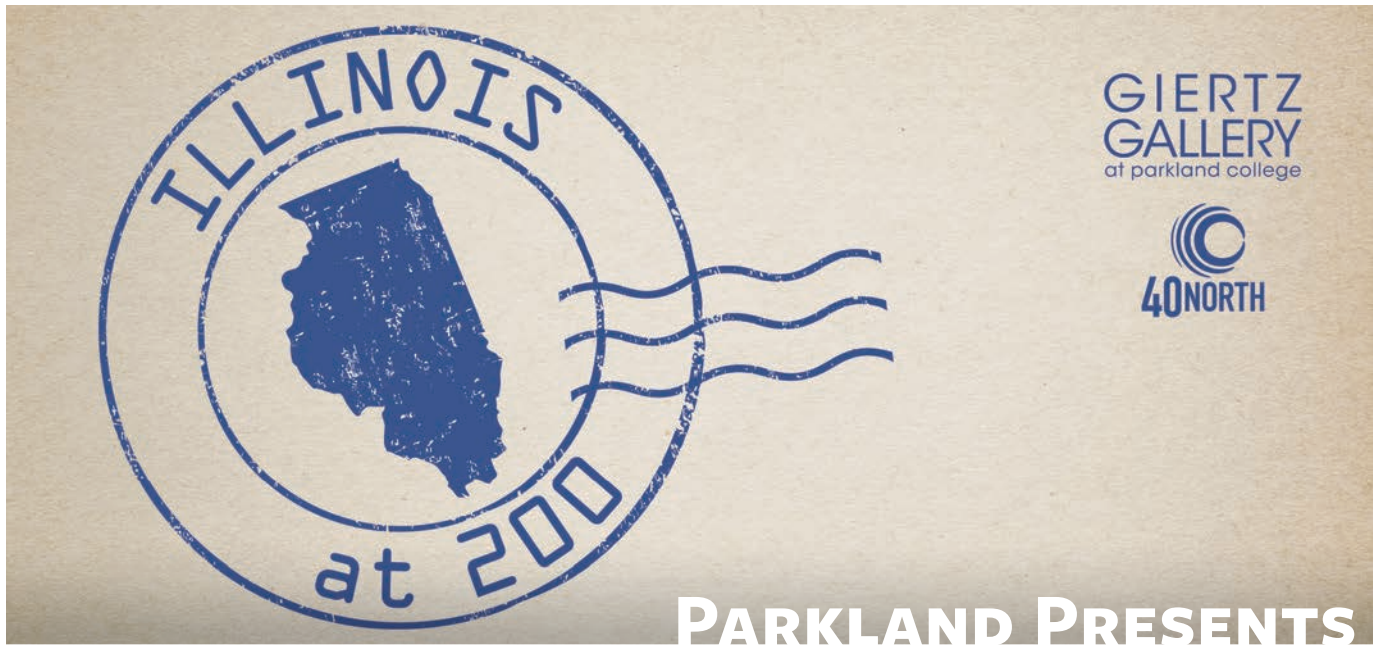

This tour is not recommended for those with nut allergies. This trip may keep you on your feet for periods of time. If mobility/accessibility is an issue for you, please contact our office with any questions before registering. Registration fee includes transportation and admission. Lunch is additional. Bus departs from BTCE parking lot. No refunds after the deadline.

Giertz Gallery

Illinois at 200

Monday, June 18–Wednesday, August 8

Reception: Thursday, June 21, 5:30–7:30 PM; live music

Opening Remarks: Lisa Costello, Kelly White at 6:30 PM

Closing Gallery Talk: Wednesday, August 8, 6:30 PM by Juror Douglas Stapleton

Giertz Gallery at Parkland College in collaboration with 40 North: Champaign County Arts Council presents Illinois at 200, featuring the work of contemporary Illinois artists. In 2018 the state of Illinois will commemorate its 200th birthday, and we are seeking Illinois artists to help us with our celebration. The goal of the exhibition is to highlight the achievements of practicing Illinois artists, not necessarily to exhibit work about Illinois or its bicentennial. Douglas Stapleton, associate curator of art at Illinois State Museum, will serve as the juror.

Summer Gallery Hours: Mon–Thu 10 AM–7 PM

Gallery will be closed July 4 in observance of Independence Day

2018 Parkland College Art and Design Faculty Exhibition

Monday, August 20–Saturday, September 22

Reception: Thursday, August 23, 5:30–7:30 PM; live music

Gallery Talk at 6:30 PM by Chris Berti

Contemporary works in a variety of media including painting, printmaking, ceramics, graphic design, sculpture, digital art, photography, metalsmithing, and drawing will be shown from both new and returning faculty. This exhibition allows Parkland students to see the work of faculty in the Art and Design and Graphic Design programs and also showcases faculty work to the community. At the artists' reception, mingle with the art faculty and learn what has inspired their work.

Fall Gallery Hours: Monday through Thursday, 10 AM–7 PM; Saturday, noon–2 PM

Gallery will be closed September 3 for Labor Day

Programs at the Giertz Gallery are partially supported by a grant from the Illinois Arts Council, a state agency. All events in the gallery are accessible, free, and open to the public. For more information call 217/351-2485 or visit www.parkland.edu/gallery.

Visit our website at www.parkland.edu/gallery for additional programming, participating artists, and to sign up to receive our “e-blasts” full of updates and interesting features.

PARKLAND PRESENTS

Theatre

PARKLAND THEATRE'S 2018-2019 SEASON—A SEASON OF LAUGHTER!

Carlo Goldoni's

The Servant of Two Masters

*Translated and adapted by Jeffrey Hatcher and Paolo Emilio Landi
Directed by Michael O'Brien*

A modern mash-up between traditional Italian *commedia dell'arte* and modern day sit-coms, this new version of Goldoni's classic pits the madcap servant Truffaldino against masters, mistresses, lovers, lawyers and twenty-seven plates of fast food. Imagine a Bob Hope comedy written by Monty Python and performed with likes of Chaplin or Keaton.

Performances:

Sep 27, 28, 29, Oct 5, 6 at 7:30pm
Sep 30 and Oct 7 at 3pm
Parkland College Second Stage

Ticket Prices:

Adult \$15, Student/Senior \$13, Youth \$9, Group (20 or more) \$11
Opening night is half-price night

Reservations: 217/351-2528 or www.parkland.edu/theatre

The Musical Comedy Murders of 1940

By John Bishop

Directed by Mathew Green

When their latest Broadway musical closes after the murder of three chorus girls, the writers and stars escape to Westchester to work on their next hit. Unfortunately, the murderer has followed them upstate! A comedy about murders, secret identities, and the Golden Age of Broadway, *The Musical Comedy Murders of 1940* is a modern classic in the vein of *Clue* and *Murder by Death*.

Performances:

Nov 8, 9, 10, 16, 17 at 7:30pm
Nov 11 and 18 at 3pm
Harold and Jean Miner Theatre

Ticket Prices:

Adult \$15, Student/Senior \$13, Youth \$9, Group (20 or more) \$11
Opening night is half-price night

Reservations: 217/351-2528 or www.parkland.edu/theatre

SPRING 2019:

Come Blow Your Horn

By Neil Simon

Directed by Melissa Goldman

Feb 7– 17, Parkland College Second Stage

Young Frankenstein

Book by Mel Brooks and Thomas Meehan

Music and Lyrics by Mel Brooks

Directed by Chelsea Collier Zych

April 4–10, Harold and Jean Miner Theatre

William M. Staerkel Planetarium

The William M. Staerkel Planetarium is the second-largest planetarium in Illinois! The Digistar 4 digital projection system transforms the 50-foot dome ceiling into an immersive virtual environment.

The planetarium hosts numerous shows, field trips, programs, and special events. To stay up to date, please call our showline at 217/351-2446 or visit us online at www.parkland.edu/planetarium.

- Open through the week for school and civic groups. Reservations required at 217/351-2568.
- Teachers: Find a complete list of school programs on our web site by grade level, plus activities for before or after your visit, including links to the NGSS.
- Public presentations Fridays and Saturdays at 7 and 8pm. Tickets \$5 to \$6 at the door. Fridays only in July with matinees Tuesday afternoon and Thursday morning.
- Rent-a-Scope: 10-inch Dobsonian telescopes \$10 per night or \$15 per weekend.
- Rent a unique space or have your child's birthday party under the stars.
- Join the Friends of Staerkel Planetarium (FOSP) and see FREE shows for a year.
- Kids, join the Galaxy Club, get a stamp card and begin to earn free admission to a show plus our quarterly newsletter with home activities.
- Get your astro news quickly. Northern lights, eclipses, and meteor showers, plus be the first to hear of upcoming programs at the planetarium. Subscribe to our email blast list by sending your email address to planetarium@parkland.edu.

Celebrate the Dawn of the Space Age

Fifty years ago this past February, the United States launched Explorer 1, our first satellite. There have been many accomplishments in the time since that launch. Celebrate them with us by seeing the fulldome show, *Dawn of the Space Age*. From the launch of the first artificial satellite, Sputnik, to the magnificent lunar landings and privately-operated space flights, be immersed and overwhelmed with this accurate historic reconstruction of man's first steps into space. Who were these men and women who took part on these death-defying endeavors? Witness their drive, passion, and perseverance to explore. Originally produced by Mirage IIID.

How about a Summer Matinee?

The planetarium will once again offer summer matinees for the months of June and July. Bring the kids to presentations at 1 and 2pm on Tuesdays, beginning June 5, and Thursday mornings at 10 and 11am. All tickets are sold at the door. See *The Little Star that Could*, *Sunstruck*, and our Big Bird show. Check our online calendar for a full schedule.

D6 Arrives at Parkland

We welcome back the technicians from E&S to bring us into the modern era with Digistar 6! Features include open-captioning, cloud-source content, domecasting (hear talks and presentations going on in other domes in the country), high-definition planetary surfaces, a new user-interface, and many others. We are hoping to be closed for the upgrade sometime in August.

Loud Music Returns to the Dome

Check out our schedule for both fulldome movie versions of Pink Floyd's *Dark Side of the Moon* and *The Wall*. Selected weekends. Check our website for show dates!

See the Real Sky

Join members of the C-U Astronomical Society at their new rural observatory for a peek at the real sky. See the stars and planets through the dome's 16-inch telescope or view through other members' telescopes. Look for the grand opening of their new roll-off-roof observatory this spring! All observing events are weather permitting.

7/21, 8/18, 9/15 8 PM

Location: CUAS Observatory, County Road 700E, south of Monticello Road, southwest of Champaign.

Join us at the Middle Fork Forest Preserve on July 7 and at the Homer Lake Forest Preserve on August 11 for the Perseid Meteor Shower!

Visit www.cuas.org for directions.

NEW

Warrior Goddess Training: Book Discussion

It's no secret that women today are juggling a lot. Women make up more than half the workforce in the United States and are busier than ever with partners, children, family, and friends, often putting the needs of others ahead of our own. If we feel overwhelmed by it all or fall short of perfection, many of us have learned to be our own worst critic rather than our own best friend. In *Warrior Goddess Training*, bestselling author HeatherAsh Amara provides the antidote to the flawed idea that you are not enough. Direct, honest, and unapologetic, Amara will show you how to release the layers of expectations to become the authentic, perceptive, perfect woman you really are. Join a small group of ladies, all looking to grow, both personally and professionally. Bring your lunch, questions, and stories and discover a new and refreshed view moving forward. If you don't love and honor yourself with every fiber of your being, if you struggle with owning your power and passion, if you could use more joyful play and simple presence in your life, then it's time for an inner revolution—it's time to claim your Warrior Goddess energy!

A copy of the book will be provided to you at the first meeting. Bring your own lunch and beverage.

8/31-10/26 Fri 12-1 PM Class ID: 3190
Deadline: 8/24 BTCE \$25

Meets every other Friday.

Exclusive Management

Breaking Barriers to Success

Join four top professionals and learn tips and tricks from the best! Remove communication barriers, understand different generational perspectives, how to maximize your time, the importance of your well-being, and eight keys to workplace safety.

This new lunchtime series is perfect for supervisors, team leaders, managers, young careerists, and anyone wanting to gain an edge and develop professionally. Additionally, this series will provide you with time to network with others in the community, including your speakers. Lunch will be provided. \$399 for the five-course series. Registration deadline: 6/6/18.

Essence of Communication

Improve your communication effectiveness immediately with three key takeaways. Today's competitive marketplace demands that organizations work more efficiently than ever before. From leadership to teamwork, from customer service to sales... every position's success revolves around the individual's ability to effectively communicate with others. To accomplish it, organizations need to find ways to work smarter and faster, relying more and more on the knowledge and individual skills of each person. Learn how using the DiSC® Classic can provide you with a better understanding of your own communication style and help create better opportunities for team building. Personalized assessment included! After completing the Workshop, you will be able to:

- identify your primary communication style
- recognize and identify the communication styles of your other team members
- create plans to build better work relationships with others

Lunch is provided. DiSC assessment included.

6/13 Wed 12–1:30 PM Class ID: 2997
Deadline: 6/6 BTCE

From Wedding Rings to Nose Rings... Generational Differences at Work

"I can't believe they said that." "I can't believe that they let someone treat them like that." "I refuse to give my life to this job." "It used to be..." The largest part of the workforce is now comprised of Generation Xers and Millennials. Generational diversity has become an important issue for everyone. We look to our clients whose differing needs will result in seismic changes in consumer education techniques. We can look to our colleagues as we struggle to understand what motivates each individual. But, more importantly, we must look to ourselves as our practice arenas resound with the refrain "I can't believe they said that/did that." Employees today must be comfortable with diversity. Faith Roberts will outline the six major age groups and the work characteristics typical of each. By learning about a generation and its values, the employee will function with a better understanding of what motivates their co-workers. Emphasis will be placed on the commonalities of each generation while recognizing their differences.

Lunch will be provided.

6/27 Wed 12–1:30 PM Class ID: 2996
Deadline: 6/6 BTCE

Out of Time: Mastering Your Time

One of the most commonly heard phrases in workplaces across the country is "we don't have enough time." Poor time management leads to overtime, stress, and often, poorly executed work! Developing techniques to make more intelligent use of your time, and learning to prioritize and effectively manage a challenging workload can lead to a more productive workforce getting more important work done in less time and with less stress! Discover three key areas of effective time management: setting goals, establishing priorities, and scheduling your time. Participants will receive practical tips for improving time management skills in these three key categories and create their own personal action plan under each of the categories. After completing the workshop, you will be able to:

- Identify your own particular time wasters and adopt strategies for reducing them.
- Create effective goals that drive success.
- Understand how to prioritize your work and know when to say no.
- Create personal action plans to increase your time management skills in all three categories.

Lunch will be provided.

7/11 Wed 12–1:30 PM Class ID: 2998
Deadline: 6/6 BTCE

Wellness: Intentions, Breaks, and Fuel

Create your own healthy, happy, and productive office environment with Lola Pittenger! According to the U.S. Bureau of Labor Statistics, over 90 percent of workers spend more than 40 hours per week at work, which makes the workplace a perfect place to target and change health behaviors. Reduce the chaos, stress, and anxiety by discovering the power of setting intentions for the day, the positive impact of breaks, and how to properly fuel your body for optimal performance in and out of the office. This experience will guide you to your best self and help you feel successful and positive... after all, being strong, healthy, and energetic is essential in today's competitive marketplace!

Lunch will be provided.

7/25 Wed 12–1:30 PM Class ID: 2999
Deadline: 6/6 BTCE

NEW

Certificate in Basic Game Design

Games are increasingly recognized as tools that can serve many business purposes beyond entertainment. This certificate provides you with a general introduction to what goes into the design and development of both video and analog games, with a particular focus on the use of games outside of consumer entertainment. By successfully completing this certificate, you will have taken the first steps into understanding game design, and being able to create your own games. In the first course, you will discover resources for developing game design and identify the mechanics and verbs used in different games. You will come away knowing the different activities that are part of game design, be able to flesh out a game idea in order to increase the chances of having a successful game design experience, and have a basic understanding of how to work with game developers. In the second course, you will learn the basics of video game design process, learn about the main video game genres, and use a game development application to begin your journey of making games.

Two 1-month online courses.

9/4-10/26 ONLINE
Deadline: 8/28 \$395

NEW

Certificate in Data Analysis

Data analysis is quickly becoming one of the most sought-after skills in the workplace. Companies have vast amounts of data, but it is rare to have someone with the ability to analyze that data to see trends and make predictions. Add a whole new skill set to your portfolio and make a big difference in the success of your organization by acquiring data analysis skills. Begin with getting a basic understanding of how to analyze data in a business setting. Then learn how many of your business decisions involve comparing groups for differences. You will know the statistics behind these group differences and relationships. Finally you will find out how to perform inquiries that will be useful to your business or organization, and have the skill necessary to communicate these results through graphs and text that your fellow employees will understand. Whether your business is home based or a large company, this certificate will take you to the next level where important decision-making is concerned.

Three 1-month online courses.

This course offers the much-awaited toolkit you have been searching for to improve your employees' performance and create the working environment that your employees will find truly rewarding. Mentoring and coaching have come to be used more frequently in organizations to improve leadership competencies. It has benefits for the employer and employee. The knowledge you gather will change the way you see yourself in the workplace. Through this knowledge, you can find helpful strategies to navigate through work and life. Take an in-depth look at variables involved in employee support. Additionally, you will develop skills in the development, implementation, and support of coaching and mentoring programs in your workplace. Critical analysis and improvement of your programs alongside group dynamics and innovative strategies will also be examined in terms of coaching and mentoring programs.

One 2-month course.

Certificate in Leadership in the 21st Century

Leadership today demands a sophisticated skill set. Take away a new perspective about how to position your organization for success, and what new leadership skills are needed in the 21st century. Leaders at all levels need to know traditional leadership principles and standard practices. At the same time, our economy is moving swiftly out of the industrial age into the new economy of the Internet, knowledge, and innovation. Leaders require a new perspective on the external environment, as well as new tools to lead one's internal organizational structure and ways of doing business. You will have new information about 21st-century leadership, a new perspective on the external environment and workplace, and an understanding of the leadership skills needed to position your organization, and your career as a leader, for success.

Leadership Certificate Series

The Parkland College Leadership Series consists of 14 unique courses offered January-December, designed to enhance and develop the skills of extraordinary leadership. In order to qualify for the certificate, participants must complete a minimum of 44 hours consisting of 5 required courses AND 6 of 9 optional courses.

*Denotes required course. Required courses include *Communicating for Superior Teamwork: Managing Your Communication Style*; *Principles and Qualities of Genuine Leadership*; *Communication Excellence: Managing Performance with DiSC*; *Providing Constructive Feedback*; and *Developing Others*.

Leading Change at Every Level

The ability to lead change has become a critical performance measurement in today's unpredictable workplace environment. Traditionally, CEOs have shouldered the responsibility for implementing organizational change. However, corporate cultures have streamlined and recent research tells us that change is effectively implemented when it's led by those it most directly affects. Learn the five dimensions of change leadership that will help to garner support for any change effort.

7/19 Thu 8 AM-12 PM Class ID: 2875
Deadline: 7/12 BTCE \$199

7/19 Thu 1-5 PM Class ID: 2808
Deadline: 7/12 BTCE \$199

Communicating for Superior Teamwork: Managing Your Communication Style*

Today's competitive marketplace demands that organizations do more with less, not an easy task. To accomplish it, organizations need to find ways to work smarter and faster, relying more and more on the knowledge and skills of teams—specifically high-performing teams. Explore the essence of teamwork—effective communication. This program employs the Classic DiSC instrument to provide participants with a better understanding of their own communication style, while offering them expanded opportunities for team building practice.

Assessment must be completed by the deadline date.

8/8 Wed 8 AM-12 PM Class ID: 2942

Leadership Certificate Series

Resolving Conflict Within Your Team

Tricky situations often develop among and between team members; uncover the skills and tools for team leaders to intervene directly or to support team members in addressing these situations on their own. Learn to resolve conflicts that hinder your team's ability to produce results. Discover how to identify behaviors that can fragment a team and negatively impact productivity; demonstrate a set of key actions for resolving conflict within a team; successfully manage unproductive reactions when dealing with team issues; and support team members who choose to address conflict themselves.

8/8 Wed 1–5 PM Class ID: 2826
Deadline: 8/1 BTCE \$199

Addressing Emotions at Work

Emotions—happiness, surprise, frustration, anger—are as much a part of the workplace as the air we breathe. They play a role in the choices we make and actions we take and can motivate, inspire, and add positive intensity to our work. Discuss strategies for addressing strong emotions including individual and, when appropriate, those of coworkers. Discover the impact of strong emotions in the workplace, how and why emotions can take control, the steps to address strong emotions, techniques and choices for addressing strong emotions, and applying the “Addressing Emotions” techniques to work situations.

8/30 Thu 8 AM–12 PM Class ID: 2827
Deadline: 8/23 BTCE \$199

The Principles and Qualities of Genuine Leadership*

More than ever, everyone in an organization needs a deep knowledge of leadership best practices and help in tailoring those practices to their own situations. Discover the five universal leadership qualities and six basic principles that help individuals become genuine leaders who can translate intentions into reality. Learn about the critical leadership qualities that contribute to personal and organizational success, and discuss how applying the six basic principles can help leaders to develop the qualities of genuine leadership.

9/5 Wed 8 AM–12 PM Class ID: 3077
Deadline: 8/29 BTCE \$199

Managing Your Priorities

In today's workplace, leaders and their teams have far too many shifting or competing priorities to manage effectively. Gone are the days of “doing more with less.” Instead, we must do everything with next to nothing. Changes never stop. Resources remain tight. Traditional time management is no match for today's challenges. In *Managing Your Priorities*, explore and apply a range of skills and strategies to manage your focus and requests in order to achieve desired results.

9/19 Wed 8 AM–12 PM Class ID: 2811
Deadline: 9/12 BTCE \$199

9/27 Thu 8 AM–12 PM Class ID: 2828
Deadline: 9/20 BTCE \$199

9/27 Thu 1–5 PM Class ID: 2812
Deadline: 9/20 BTCE \$199

Delegating for Shared Success

No other responsibility distinguishes a supervisory role from others more than delegating tasks and projects. When poorly executed, delegation negatively impacts productivity and leaves employees feeling frustrated and set up for failure. On the other hand, when done well, delegation taps in to the full capability of others, building confidence and enhancing supervisor-employee relationships. Develop the planning, interpersonal, and follow-up skills critical for successful delegation. Participants will be able to: assess personal delegation challenges and discover their own delegation style; evaluate what can and cannot be delegated; complete a thorough task/staff analysis; conduct a delegation conversation that results in the employee understanding the task; and follow-up to ensure delegation success.

10/17 Wed 8 AM–12 PM Class ID: 2813
Deadline: 10/10 BTCE \$199

UAS Certification Exam Prep

The Federal Aviation Administration announced that drone operators will have to pass a UAS (Unmanned Aerial System) aeronautical knowledge test as one of the requirements for legally flying drones commercially. Discover what all commercial drone/UAS operators will need to know in order to pass the certification test. Learn pertinent information regarding regulations, airspace, weather, and more.

The certification exam can be taken at the Parkland College Assessment Center. Testing is on a first come, first served basis. The certification exam is \$150.

7/9-7/10 Mon 8 AM-5 PM & Tue 8-11 AM Class ID: 3155
Deadline: 7/2 BTCE \$399

NEW! Unmanned Aircraft Systems Certificate

Drone operators can meet new federal rules regarding handling unmanned aircraft systems (UAS) through a new certificate program at Parkland College starting fall 2018.

The six-semester-hour program prepares students to be certified under Federal Aviation Administration requirements to be a commercial UAS operator. Learn the history and evolution of UAS, FAA regulations, airspace, weather, and UAS types and performance, and safety and ethical issues, as you become proficient at UAS operations.

For more information on the UAS certificate, contact Wendy Evans, program recruiter at the Institute of Aviation at Parkland College, at 217/244-8616 or wevans@parkland.edu.

NEW

Tractor Trailer Training Information Session

Nearly 3.5 million people work as truck drivers, hauling goods locally and across the country on the nation's highways. Truck drivers often have long hours on the road, but enjoy good salaries and independence. Job prospects for trained, licensed truck drivers are expected to remain strong through the next decade. According to the 2016 U.S. Bureau of Labor Statistics, tractor trailer truck drivers' average pay is \$19.87/hour. Long-distance truck drivers are usually paid by the mile and sometimes by the type of freight, and salaries often include overtime. Salary expectations for first-year drivers range from \$37,000 to \$41,300. Learn about the industry, opportunities, and requirements to become a successful truck driver.

What you will gain:

- Important details about the course
- Insight into the career
- Funding options
- Opportunity to ask specific questions

Advance registration for this FREE information session is suggested to reserve your seat.

8/2 Thu 6-7 PM Class ID: 3191
Deadline: 7/26 BTCE FREE

Tractor Trailer Driver Training

Train to earn your commercial driver's license and prepare for a career in the trucking industry, one of the fastest-growing industries in the country. More than 300,000 truck driving jobs are now available in the United States. This course is for those with little or no commercial driving experience. Parkland College's Tractor Trailer Driver Training program, provided by 160 Driving Academy, includes everything you need in order to earn a CDL and find your first job as a truck driver. Train to earn your CDL learner's permit in the first week of class as you learn DOT rules, regulations, and log book requirements. The remaining three weeks are spent on thorough driving training. After successful completion of the course, you will take the Class A test onsite and receive a certificate of completion as well as an Illinois commercial driver's license from the Secretary of State. Most important, our staff will work with our partners in the trucking industry to secure job placement for you. You must provide a copy of your DOT physical and drug-screening test before starting the course.

Classes start every month. Call 217/353-2106 for an appointment.

Course fee includes your physical, drug screening, and permit costs.

CPR FAQs

How soon should I register for a CPR course?

Classes fill fast! Your program deadline will affect your certification needs. Please contact your program manager for the deadline. If you choose to complete option 1, your online certificate of completion is valid for only 60 days. You must complete the hands-on skills portion within 60 days.

How long is my CPR card valid? Your card is valid for two years.

Do I need a book? Yes. Textbooks are an integral part of CPR education before, during, and after the course. You may reuse your textbook during renewals or updates until new science guidelines are published.

When will I receive my CPR Card? It typically takes two to three weeks to process. If you need proof sooner, your instructor can issue you a temporary card upon successful completion of the course. You must claim your official card online via e-mail (instructions will be provided).

CPR for Health Care Providers—Instructor Led

Complete a four-hour traditional instructor-led class, hands-on skills session, and skills test with an American Heart Association instructor. Upon successful completion, you will be issued an American Heart Association BLS Healthcare Provider Course Completion Card. You are required to receive the CPR Provider Manual one week before attending class. You will be emailed an access code for the e-book manual on the deadline. You will have a hard copy to use during class.

If you prefer a hard copy in exchange for an e-book, it MUST be picked up at Business Training & Community Education at least one week before class.

Effective January 1, 2018 the American Heart Association will only be issuing e-cards for all students completing this course. After the completion of your course, please watch your email for notice from the American Heart Association. You must claim your card in order to make it valid. Please read the email carefully, it is your responsibility.

- No refunds will be issued for classes dropped on or after the class start date.

Location

Please note the location of your class. Classes are held at Parkland College and offsite locations.

Disability Statement

If you believe you have a disability for which you may need an accommodation (i.e., use of assistive technology or other classroom assistance), please contact the Office of Accessibility Services, Parkland College, room U260, 217/353-2338 or accessibilityservices@parkland.edu.

Corporate Clients

Let us customize classes at your location or ours at times that best fit your needs. Contact our team, Brooke Ohlsson or Dave Webb at 217/351-2235 or at btce@parkland.edu.

100% Satisfaction Guarantee

If you are not completely satisfied with your class/experience, we will gladly enroll you in a course of equal value. You may also request a full refund by contacting our office within 10 business days of course completion at 217/353-2055.

Use your computer, tablet, or phone to register online, 24 hours a day:
www.parkland.edu/btceRegister

Parkland College ensures equal educational opportunities are offered to all students regardless of race, color, national origin, gender, gender expression, disability, sexual orientation, veteran/Vietnam veteran era, age, or religion, and is Section 504/ADA compliant. For additional information or accommodations, call 217/351-2551.
