

## College for Kids Scholarship Application

With the generosity of donors and the Parkland College Foundation, we are pleased to offer a limited number of scholarships for our College for Kids (CFK) Program. These classes are an exciting opportunity for students to gain hands-on experience in science, technology, engineering, art and mathematics. (STEAM)

These are competitive scholarships, reviewed on a first come, first serve basis. Those who apply for the CFK scholarship must meet income eligibility for free/reduced lunch programs at their school. **To apply, please submit this application, an essay, and free/reduced lunch documents from the child's school.** Incomplete applications will not be reviewed. Registration fees will not be refunded for classes registered before a scholarship is awarded.

**Return the completed scholarship application to Parkland College Community Education at 1315 N Mattis Ave, Champaign, IL 61821, via email to [communityeducation@parkland.edu](mailto:communityeducation@parkland.edu), or by fax to 217/351-5928.** Please contact us at 217/351-2235 with any questions.
