...keep in mind:

- Your commute time will make a difference in the amount of time you have for studying, working, etc.
- The above times do not include time to walk to the bus stop, wait for the bus, park, etc.
- If using a car, the dependability of your personal transportation can affect your class attendance.
- If taking a bus, factor in the possibility of late buses as well as bus schedules that don't fit your class schedule and may require you to arrive 45-60 minutes earlier than class.
- Several of the routes above require bus transfer.

Commute times are at ~10:30 a.m.; other times of day may vary.
