### **Carle Hospice Volunteer**

As a volunteer for Carle Hospice you will touch the lives of terminally ill patients and their families through the delivery of compassion and companionship. Hospice volunteers are an essential part of a multi-faceted team whose focus is providing the patient with the highest quality of life. As a volunteer you can help deliver dignified care by training as an In Home Hospice Volunteer, Bereavement Volunteer, or provide essential support as an Administrative Volunteer.

Examples of responsibilities include staying with the patient so the family can take a break, run errands for the patient or caregiver, share musical talents, play games, yard work, and others.
