

Orpheum Children's Science Museum <http://www.orpheumkids.com>

Mission Statement

At the Orpheum Children's Science Museum, we inspire, engage and educate diverse children of all ages through exploration of science and the arts.

Internships

Animal Care (multiple, year-round), STEM Programming (1/semester), Public Engagement (1/semester), Exhibit Design (1/semester), Parkland College WIOA (contact Christine Muehling)

Volunteer Projects

Toddler Tuesday (Weekly, 10am-11:30am). Volunteers will help with activities for toddlers that provide an opportunity to work on developing language, cognitive, and social skills.

DIY Saturday (2nd & 4th Saturdays, monthly, 2:00-4:00 pm). Volunteers will assist kids on creative projects, enthusiastically keeping kids engaged in the activity.

Animal Encounters (Wednesdays & Fridays, weekly 1:30 – 2:30 pm). Volunteers will teach children about the animals at Orpheum. Volunteers will interact with animals and children. This opportunity requires training, so regular volunteers are desired.

These events will take place at Orpheum Children's Science Museum in Downtown Champaign (346 N. Neil St., Champaign, IL 61820). For more information regarding volunteer projects and other opportunities, please contact Xander Hazel at xander@orpheumkids.com or the museum staff at info@orpheumkids.com.
