

## **Mission / Vision Statement**

Since 2004, we have been connecting families in need with the resources of a community that has been richly blessed. Our mission is to share the love of God, by providing opportunities for those living in poverty to equip themselves with the tools they need to create lasting change in their lives.

## **Internships**

None listed

## **Volunteer Projects**

### **Personal Development Program**

In our Personal Development program, volunteers are trained to help those struggling to improve their lives. Allies' goals are to listen, ask questions to discover and establish goals, to offer perspective, strategies, and other suggestions, to provide tools to build confidence, competence and courage.

Direct questions about the Personal Development Program to Terry Austria at 217-355-5654 or [terry@saltandlightministry.org](mailto:terry@saltandlightministry.org)

### **Reception Team**

Welcome guests when they come through our doors, answering phones and greeting those who call, and directing inquiries to appropriate staff members.

### **Computer Lab Monitor**

Assist clients with general computer problems during open lab hours. Computer lab team members create and maintain positive and comfortable atmospheres where clients feel motivated to learn.

### **General Volunteer Opportunities**

Volunteers are needed to process donations, administrative tasks, bagging groceries, greeting customers, light cleaning and sorting items on a regular basis.

Volunteers must attend an orientation before beginning to serve. Individuals who would like to earn thrift and grocery store credit must also attend a member orientation to open an account. These orientations are held weekly at both the Champaign and Urbana locations. Orientation times can be found on Salt & Light's website at [www.saltandlightministry.org](http://www.saltandlightministry.org); no advance registration is necessary.

All volunteers and participants are asked to complete our [online application](#). For more information about these volunteer opportunities, please see the Volunteer Page.

For more information regarding these volunteer opportunities please see the [Volunteer Page](#).
