

Mission Statement

Provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

Internships

None Listed

Volunteer Projects

General Volunteers: Special Olympics have a variety of volunteers ranging from committee members to medical and professional volunteers. There is a great need for volunteers to staff events, both athletic and fundraising events. You can sign up as a general volunteer at their website, <https://www.soill.org/volunteers/>, or by looking at their [calendar of events](#).
