

**The Idea Store, <https://www.the-idea-store.org/>** is Central Illinois' Premier Eco-Edu-Art creative reuse center! A place where artists, educators, recyclers, and friends can find materials for the projects that fill our lives. A place where eco-friendly is more than an idea – it's what we do. Come check out our stocks of safe, clean, repurposed materials ready for reuse. From the everyday to the every-which-way, repurposed materials are our greatest and greenest resource for projects of every kind!

The store relies on Volunteers for all types of tasks. You can volunteer weekly, monthly, or for special events and activities. Volunteering at the Idea Store is a great way to meet and work with some of the area's most creative artists, educators, and innovators! Whatever your creative passion, weave it into your volunteer work.
