Commencement Speaker

MICHAEL W. FRERICHS
Illinois State Treasurer

Michael Frerichs has served as Illinois State Treasurer since he was first elected in 2014, and he is the 74th person to serve in this role.

He was born and raised in the farming community of Gifford, Illinois. After graduating from Yale University, he spent two years in Taiwan, where he taught English to young students and learned to speak Chinese. He returned to Champaign County and launched his own technology business. He was elected to the Champaign County Board and elected as the county's auditor. He also served as a volunteer firefighter.

In 2006, Mr. Frerichs was elected to the Illinois State Senate, representing east central Illinois. He chaired the state senate's Higher Education Committee, championing efforts to make college more affordable. He was also chairman of the Agriculture and Conservation Committee and became a Certified Public Finance Officer.

Mr. Frerichs has made changes to the Illinois Bright Start College Savings Program, taking it from the worst to among the nation's best. He lowered fees and provided additional investment options for families. Independent analyst Morningstar awarded Bright Start the Gold rating five years in a row.

Under Treasurer Frerichs' leadership, Illinois now leads a multistate alliance that allows parents of children with blindness or a disability to save for their children without jeopardizing their federal disability benefits. Today, the Achieving a Better Life Experience Program, or ABLE, is the national standard, offering high-quality and low-cost investment options.

Mr. Frerichs is president of the bipartisan National Association of State Auditors, Comptrollers, and Treasurers. The College Savings Plans Network honored him with its Distinguished Service Award in 2022.

Prior to her current positions, she was IT director for Facilities & Services and director of IT and institutional research for the Graduate College at the University of Illinois, and she also spent many years working for the City of Champaign. She has over 35 years of professional experience, with over half that time in technology.

Julia received her associate's degree from Parkland College in 2003 and her bachelor's degree from Franklin University in 2006. She went on to earn both her master's degree in 2008 and her doctoral degree in 2014 from the University of Illinois. Julia is married to Jason Hart and has a daughter, Dr. Jarai Carter.
