Commencement Speaker and Distinguished Alumnus

NICHOLE A. MILLAGE
PARKLAND ALUMNUS AND RETIRED US PARALYMPIAN

Born and raised in Champaign, Nichole Millage graduated from Centennial High School in 1995 where she had an accomplished volleyball and fast-pitch softball career. After a short detour at SIU in Carbondale, Nichole returned to Champaign and began taking classes at Parkland College in the summer of 1997.

During her time as a student at Parkland, she was in a boating accident at Clinton Lake. After being struck by the propeller, her left hand was severely injured, and her lower left leg was amputated. After a year of rehab, she returned to and graduated from Parkland College in May 2000.

After graduation, while volunteering at a camp for children with disabilities, she discovered sitting volleyball and quickly developed a passion for the game as a way to continue her lifelong love of sports. Her dedication and skill within the sport grew over the next few years and she was given the opportunity to join the United States National Sitting Volleyball team in March 2005.

In January 2007, she moved from Champaign to Edmond, Oklahoma to train full-time at the Paralympic facility at the University of Central Oklahoma (UCO). While training and playing, she attended UCO, graduating in 2009 with a bachelor's degree in business administration. She then earned a master's degree in business administration from UCO in 2012.

Commencement Speaker and Distinguished Alumnus (cont'd)

She participated as a Paralympic sitting volleyball athlete in the 2008 Beijing Paralympics (silver), the 2012 London Paralympics (silver), the 2016 Paralympics in Rio de Janeiro, Brazil (gold), and the 2020 (2021) Tokyo Paralympics (gold). She officially retired from Team USA after the Tokyo Paralympics in October 2021. In September 2024, she served as an analyst for NBC Sports at the Paris Paralympics, working alongside a play-by-play commentator to call the sitting volleyball matches of her former team. In addition to four Paralympic Games, Nichole played in twenty-one other international tournaments over her sixteen-year national team career, winning fifteen.

During her time as a Paralympian, she moved back home and began working at the Public Works Department for the City of Champaign as an Environmental Sustainability Specialist. Her primary duties include managing the city's recycling programs, services, and events. That work includes hosting bi-annual electronics collection events that take place at Parkland College. Nichole currently lives in Champaign with her fiancé, Ryan Faust, and they are getting married in town next month.

She serves on the leadership team of the iFAB Tech Hub and is Chair of iFAB's Government Relations Council. As iFAB's Chief Partnerships Officer, she builds and manages strategic partnerships and alliances, driving growth and innovation for the iFAB region of Champaign, Piatt, and Macon counties.

McCrory-McKay earned both her bachelor's degree and Master of Business Administration at Eastern Illinois University. She stays active in numerous regional professional organizations, including as a board member of the East Central Illinois Workforce Board and Chair of the Willard Airport Advisory Board. She also serves as president of the Board for RISE Behavioral Health and Wellness, the mental health agency in her hometown of Tuscola.

Outside of her career, she enjoys traveling, live music, visiting art museums, spending time with her family, and trying to keep up with her nine nieces and nephews, all under six years old. During this time of year, she can be found eating ice cream at Sidney Dairy Barn, buying flowers and cheese at the local farmers market, dining al fresco in downtown Champaign, or enjoying live music at Friday Night Live.
