Your Free Application for Federal Student Aid (FAFSA) has been selected for an “Unusual Enrollment History Review” because you have received Federal Aid at multiple schools during the last three academic years. Parkland College is responsible for conducting this review to ensure that Federal funds are being used for educational purposes, and that you are making progress towards your degree. **The law requires the College to obtain this information before awarding Federal Aid.**

Submit the items below to the Office of Financial Aid and Veteran Services:

1. Completed Unusual Enrollment History (UEH) Form
2. Copy of your Aid Summary for grants and loans available at www.studentaid.gov. You will need your FSA ID and password to login.
3. Transcripts from all prior colleges. We can accept official or unofficial transcripts.

If upon review we need additional information, you will be contacted via your Parkland College student email address.
