The 2018 income information reported on your FAFSA may not be an accurate indicator of your ability to pay for educational costs in the 2021-22 school year. By providing documentation of your unusual circumstance, you may qualify for reevaluation of your financial aid eligibility. If you do not meet any of the circumstances described below, but feel your financial situation has changed significantly, please meet with a financial aid advisor. Each case will be evaluated on an individual basis, and submission of this form does not guarantee a change in your financial aid eligibility. Only one special circumstance form will be accepted per academic year.

We are not able to estimate business or seasonal income. For families with this type of income, a special circumstance will only be accepted after you have completed your 2021 taxes.

This form has four parts. Complete each section and attach all required documents before submitting. You will be contacted at your Parkland student email if your special circumstance is incomplete, or if further documentation is needed.
