## **what you save:**

### **cost, aid, & scholarships**

College is an investment. Make a wise one by choosing Parkland. Our tuition costs are less than what you'd pay at a public Illinois university and a fraction of the cost of a private Illinois college.

### **career agreement for out-of-district students**

If your community college doesn't offer the program that you want to study, you may be able to take it at Parkland at in-district tuition rates. Learn more at [parkland.edu/careeragreement](http://parkland.edu/careeragreement).

### **paying for college**

You may be eligible for scholarships and grants that you don't have to pay back; Parkland's Financial Aid office will assist you with the application process. Visit [parkland.edu/financialaid](http://parkland.edu/financialaid) or call 217/351-2222.

### **annual tuition comparison**

- Parkland: \$178.50/credit hour
- Public Illinois University: \$294/credit hour\*
- Private Illinois University: \$1,518/credit hour\*

Under this model, a four credit-hour class would cost \$714 at Parkland, \$1,176 at a public Illinois university, and \$6,072 at a private Illinois college.

\*Averages based on AY 2021 tuition cost data available at [collegeillinois.org](http://collegeillinois.org).

## how far you go:

### start here, transfer there

Small classes + support = success at your four-year institution.

#### university of illinois

- You'll be well prepared to go across town: Parkland transfers more students into the University of Illinois at Urbana-Champaign than any other school, and Parkland graduates do very well there.
- Pathway to Illinois: dual-admissions partnership with University of Illinois for incoming freshmen. Visit [parkland.edu/pathway](http://parkland.edu/pathway) for more information.
- Students transferring from an Illinois community college are guaranteed admission into any of the University of Illinois campuses through the U of I Transfer Guarantee if they meet the requirements.
