

HORTICULTURE

LANDSCAPE AND URBAN HORTICULTURE A.A.S.

Program Code: B.ABL.AAS

Associate in Applied Science (A.A.S.)

Graduation requirement — 61 semester hours

The Landscape and Urban Horticulture degree prepares students for various careers in the horticultural industry. Coursework includes the design and construction of landscape projects, greenhouse production, and sustainable horticulture practices.

Program Notes*

- AGB 191 is a two-credit hour course and must be taken twice to meet degree requirements, following the suggested sequence.
- Select a mathematics course with advice from an agriculture instructor.
- General Education electives are chosen from two of the following categories: communications, social/behavioral sciences, humanities/fine arts, mathematics, physical/life sciences. For more information, see General Education requirements on p. 65.
