

CRIMINAL JUSTICE

Program Code: S.CJS.AAS

Associate in Applied Science (A.A.S.)

Graduation requirement — 60 semester hours

The Criminal Justice Program prepares students for employment in industry or government positions such as municipal, county, and state police agencies or the private security field.

Note: In order to complete the program, students must be able to pass a criminal background check required by agencies providing internships (if the student pursues the internship option).

Program Notes*

- SCI 108 and SCI 208 are the recommended courses for this degree. SCI 108 is not a prerequisite for SCI 208. These courses may be taken in any order. Both courses must be taken to fulfill the physical/life science requirement. One approved IAI transfer level physical science course and one approved IAI transfer life science course may be substituted for the SCI 108, SCI 208 sequence if necessary.
- General electives can be any college-level course.
- CJS 101 is a prerequisite for all CJS courses except CJS 104 and CJS 127.
- Students **must carry health insurance and pass a criminal background check** prior to being allowed to participate in CJS 218 (internship).
