

ELEMENTARY EDUCATION

Associate in Arts (A.A.)

Program Code: S.EED.AA

Graduation requirement — 60 semester hours

To teach in Illinois public elementary schools (grades 1–6), teachers must be certified by the state of Illinois. To transfer into an approved baccalaureate program in elementary education as a junior, students must complete specific requirements and a minimum of 60 semester credits. Students are strongly encouraged to complete an A.A. degree prior to transfer. Since admission is competitive, completion of the recommended courses does not guarantee admission. Students should be aware that a minimum grade point average for most universities is required for program admission.

Students planning to teach at the elementary level in Illinois are advised to plan their transfer programs with a Parkland academic success advisor or counselor to meet specific requirements of their preferred college or university and the Illinois State Teachers Certification Board.

Program Notes

- A criminal background investigation is required prior to field experience. Students are responsible for any fees.
- Licensure by the State of Illinois requires that all courses in program be passed with a grade of C or higher.
- EDU 101, PSY 207, and MAT 105 are required for transfer into Elementary Education.
- Placement out of or completion of MAT 124 is required for transfer.
- Recommended courses are designed to facilitate completion of the A.A. degree and transfer into a four-year college or university with junior standing in a chosen academic path. Students are advised to follow the recommendations.

Required General Education Core Courses (38 hours)

Cr. Hrs.

Communications (9)	
COM 103 Introduction to Public Speaking	3
ENG 101 Composition I	3
ENG 102 Composition II	3
Humanities/Fine Arts electives	9
