PSYCHOLOGY

Program Code: S.PSY.AA

Associate in Arts (A.A.)

Graduation requirement — 60 semester hours

To transfer as a junior into a baccalaureate psychology program, students must complete a minimum of 60 semester credits. Freshmen and sophomores who plan to major in psychology are encouraged to fulfill general education requirements with foundation courses in the sciences (e.g., biology, chemistry, physics, and anatomy and physiology) and mathematics (e.g., college algebra, calculus, and statistics). The number of psychology courses taken at Parkland should be kept to a minimum. Students are strongly encouraged to complete an Associate in Arts degree prior to transfer. Since admission is competitive, completion of the recommended courses does not guarantee admission.

Students should plan their transfer programs with a Parkland academic success advisor and the catalog of the four-year college or university they plan to attend.

Program Note

Recommended courses are designed to facilitate completion
of the A.A. degree and transfer into a four-year college or
university with junior standing in a chosen academic path.
Students are advised to follow the recommendations.

Communications (9) COM 103 Introduction to Public Speaking
ENG 101 Composition I
 Humanities/Fine Arts electives
 Choose at least one course from Humanities and one from Fine Arts Social/Behavioral Sciences electives
 Soc/Beh Sci courses must be from at least two disciplines One course from Hum/Fine Arts or Soc/Beh Sci must fulfill the non-Western culture requirement Mathematics elective
fulfill the non-Western culture requirement Mathematics elective
