

COMMUNICATION: PHOTOGRAPHY

Program Code: F.MPH.AAS

Associate in Applied Science (A.A.S.)

Graduation requirement — 60 semester hours

Students preparing for careers in the photography industry will find that the Photography A.A.S. program curriculum prepares them for employment as studio photographers, photographer assistants, lab/print specialists, freelance photographers, studio managers, and small business owners. Program courses cover the fundamentals of photography through studio photography; historical processes through digital photography; the development of a photography portfolio; and the business of photography. Students should plan their A.A.S. program with a Communication faculty advisor.
