

# MASSAGE THERAPY

Health Career Admissions  
Program Code: G.MSG.AAS

## Associate in Applied Science (A.A.S.)

Graduation requirement — 60 semester hours

The Massage Therapy A.A.S. Program trains students in basic therapeutic massage techniques to educate them about the human body and the physiological effects of massage on the body, to prepare them for their role in the health care community, and to promote professionalism, caring, high ethical conduct, and continuing education. This program is designed for part-time or full-time students to attend during the day or evenings and weekends.

### Program Notes

- This program prepares students to meet the educational requirements for licensure in the state of Illinois. Parkland College has not yet determined that this program meets the requirements for licensure of any other state.
- This is a selective admissions program—students must be admitted into the program before taking MSG courses. See the selective admissions page for more information regarding admission, progression, and graduation.
- Placement into ENG 101 and college level reading is required for admission to the program. Students should see an academic advisor for guidance through the application process.
- Students who are non-native speakers of English must establish English proficiency through:
  - Minimum TOEFL iBT scores in reading, listening, speaking, and writing: 15-15-18-15; or
  - Minimum IELTS scores in reading, listening, speaking, and writing: 6-6-6-5.
- BIO 111 online or hybrid courses are not accepted.
- A scoring rubric will be applied for all applicants, and the most qualified students will be admitted. Selection criteria include a minimum 2.0 grade point average, certificate/degree completion, biology completion, biology grade, and/or military experience.

Graduation requirements include the following:

- The ability to give an effective full body Swedish Massage in 60 minutes.
- Completion of 30 hours of massage clinicals.
- Meet all ethical and behavioral requirements of the Professional/AMTA Code of Ethics and the program.
