## it's your time to save on college.

College is an investment. Make a wise one by choosing Parkland. Our tuition costs are less than what you'd pay at a public Illinois university and a fraction of the cost of a private Illinois college.

### annual tuition comparison

Example: Average for a four credit-hour course.

Parkland College: \$171/credit hour\*

Public Illinois university: \$294/credit hour\*

Private Illinois college: \$1,518/credit hour\*

Under this model, a four credit-hour class would cost \$684 at Parkland, \$1,176 at a public Illinois university, and \$6,072 at a private Illinois college.

\*Averages based on AY 2021 tuition cost data available at [Collegellinois.org](http://Collegellinois.org)
