

# COVID Vaccination for Health Profession Students

[Information updated November 22, 2021]

## PARKLAND COLLEGE BUILDINGS

Parkland College is following Governor J.B. Pritzker's Executive Order which mandates full vaccination or weekly testing in order to enter Parkland spaces. This information is updated constantly on the Parkland website at: <https://www.parkland.edu/Main/About-Parkland/Department-Office-Directory/Student-Life/Wellness-Center/COVID-19-Information>

## HEALTH PROFESSIONS STUDENTS

Health Professions students attending clinical outside of Parkland buildings are required to have a complete vaccination series or an exemption approved by the Dean of Health Professions. There is not a test out option.

Students will follow the directions in Castle Branch to upload the vaccination card to Castle Branch. If a student has an approved exemption from the Health Professions Dean, the student will be emailed a exemption approval form to be uploaded to Castle Branch.

Clinical requirements are determined by affiliation agreements with clinical partners. Clinical requirement standards may vary from semester to semester depending on facility requirements. Students should understand that in the event of an outbreak or pandemic concern, the clinical facilities may temporarily exclude unvaccinated students. Being excluded from clinical experiences and time, may cause interruption in the student's educational progress.

Some clinical facilities may require an additional form, additional personal protective equipment or training.

Clinical schedules and clinical facilities are unique to each program. Program Directors and the Health Profession Dean will determine if a clinical placement meets requirements of the program. Students will only be placed at scheduled clinical facilities according to the schedule set by the program and the clinical site.

Clinical facilities may not accept declinations or exemptions for stated requirements.

### Exemption Process for the COVID vaccination:

Religious and Medical Waivers for Vaccinations

1. Declination forms should be submitted prior to the official acceptance in the program to avoid possible interruption in the student's education.
2. Students must follow the Parkland process for requesting approval of a medical or religious exemption for a vaccination.
  - a. Contact the Dean of Health Professions ( [ExemptionsHP@parkland.edu](mailto:ExemptionsHP@parkland.edu) ) to request a religious or medical exemption for a vaccination via the student's Parkland email account. Please send request to [ExemptionsHP@parkland.edu](mailto:ExemptionsHP@parkland.edu) Please list EXEMPTION REQUEST in the subject line of the email.

- b. The Dean will send the student the related policy regarding health records and vaccinations along with the form to be completed by the student, healthcare provider and or religious leader. Only the Parkland form will be accepted.
  - c. The student will submit the completed form with required information directly to the Dean from the student email account.
  - d. The applications for approval will be determined on a case-by-case basis.
  - e. Additional supportive documents or information from the student, health care provider or religious leader may be requested.
  - f. The approval will be for the duration of the program only; if a student enters another Health Professions program, a new approval must be sought.
  - g. Students will be notified of decision through their Parkland student email account.
3. Students who submit false documentation or knowingly submit false information in pursuit of this exemption are in violation of program and Health Professions Code of Conduct, Program Code of Conduct, and related handbook statements.
4. Students should understand that in the event of an outbreak or pandemic concern, the clinical facilities may temporarily exclude unvaccinated students. Being excluded from clinical experiences and time, may cause interruption in the student's educational progress.
5. Some clinical facilities may require an additional form, additional personal protective equipment or training if exemptions or declinations are approved.
6. Beliefs based on social, political, or economic philosophies as well as personal preferences are not considered religious beliefs.
7. Clinical facilities may not accept declinations or exemptions for stated requirements. Reasonable effort will be made to find clinical placement that will still meet the needs of program accreditation and required competencies. The student will work with the program director and Dean of Health Professions to determine if alternative clinical placement can be arranged. Clinical schedules and clinical facilities are unique to each program. Program Directors and the Health Profession Dean will determine if a clinical placement meets requirements of the program. Students will only be placed at scheduled clinical facilities according to the schedule set by the program and the clinical site.
