## STUDENT OCCUPATIONAL FOLLOW-UP SURVEY
## CLASS OF 2010-2011

## INTRODUCTION

The Parkland College Occupational Follow-Up Survey was administered to the Class of 2010-2011 by the Department of Institutional Accountability & Research (IAR) and the Career Center.

Methodology

IAR was responsible for the initial distribution of the e-mail and paper mail surveys. The Career Center conducted follow-up surveys by telephone. Nine hundred and nineteen (919) graduates of occupational programs (including short term certificates) were initially contacted with an e-mail survey approximately eight months after graduation, followed by a second e-mail attempt. Non-respondents were mailed a paper survey approximately three weeks later, followed by a second mailing. The Career Center contacted the remaining non-respondents and conducted the survey by telephone. This approach generated a response rate of 44.8%. IAR was responsible for data entry, analysis and reporting.

Results

Data are presented in the following tables on rates of graduate employment, meeting college objectives, hourly salary, and satisfaction with current job, major and outside major program areas, student services, academic services and college services. Graduate demographic information by degree program appears in Tables 4-6. Employment data by program is contained in Tables 7-7E. Hourly salary outcomes are located in Tables 8-10B. Graduate satisfaction with Parkland programs and services are numbered Tables 11-20, with graduate satisfaction outcomes by gender, ethnicity and age group contained in Tables 18-20A. Satisfaction rates with current job are presented in Table 17, and hourly salary by satisfaction in Table 21. A listing of the employers of Parkland graduates is contained in Table 22. Tables 23-24 reflect perceptions of Parkland's contribution to graduates' improvement in reading, writing, speaking, doing math, and solving problems.

Dear Parkland Graduate *** ,

As a recent graduate of Parkland College, you know first-hand what works and what can be improved. We are asking for your thoughts and opinions about your experiences at Parkland. Your feedback is very important to us and will help us improve our services for future Parkland students. Would you please take a few minutes to respond to our survey?

As a way of saying thank you, everyone who completes the survey by **March 16** will be entered in a drawing for a **$50 gift card from Wal-Mart.**

In order to conserve resources, anyone who completes the survey **online** will be entered in a second **"going green" drawing for an additional $50 Wal-Mart gift card** (therefore having the chance to win two gift cards).

We have already sent the survey to your Parkland student e-mail account. Information on accessing your Parkland student e-mail account, including account lookup can be found on my.parkland.edu and through the following website: *http://stu.parkland.edu*. If you would like the survey sent to a different e-mail address please e-mail *iar@parkland.edu* with the subject line: "Graduate Survey Online Request" and provide us with the e-mail address where you would like the survey sent.

Whether you win a gift card or not, we thank you for your help. Participation is voluntary and you can decline at any time. Your responses are confidential and will be used without any identifying information only for research and reporting. If you have any questions, please call Alison Groot at (217) 351-2466.

Please help Parkland in planning its program offerings by completing this evaluation of your educational experiences. Your response is needed and appreciated.

Sincerely,

Seamus Reilly, Ph.D.
