PARKLAND COLLEGE
STUDENT OCCUPATIONAL FOLLOW-UP SURVEY
CLASS OF 2011-2012

INTRODUCTION

The Parkland College Occupational Follow-Up Survey was administered to the Class of 2011-2012 by the Department of Institutional Accountability & Research (IAR).

Methodology

IAR was responsible for the distribution of the e-mail, paper mail surveys and follow-up surveys by telephone. Nine hundred and twenty-seven (927) graduates of occupational programs (including short term certificates) were initially contacted with an e-mail survey approximately eight months after graduation, followed by a follow-up a second email attempt one week later and several reminders after that. Non-respondents were mailed a paper survey approximately two weeks after the second email, followed by a second mailing one month later. The remaining non-respondents were contacted by telephone. This approach generated a response rate of 42.7%. IAR was responsible for data entry, analysis and reporting.

Results

Data are presented in the following tables on rates of graduate employment, meeting college objectives, hourly salary, and satisfaction with current job, major and outside major program areas, student services, academic services and college services. Graduate demographic information by degree program appears in Tables 4-6. Employment data by program is contained in Tables 7-7E. Hourly salary outcomes are located in Tables 8-10B. Graduate satisfaction with Parkland programs and services are numbered Tables 11-20, with graduate satisfaction outcomes by gender, ethnicity and age group contained in Tables 18-20A. Satisfaction rates with current job are presented in Table 17, and hourly salary by satisfaction in Table 21. A listing of the employers of Parkland graduates is contained in Table 22. Tables 23-24 reflect perceptions of Parkland's contribution to graduates' improvement in reading, writing, speaking, doing math, and solving problems.

Thank you very much for assisting us.

Parkland College

Dear Parkland Graduate***,

As a recent graduate of Parkland College, you know first-hand what works and what can be improved. We are asking for your thoughts and opinions about your experiences at Parkland. Your feedback is very important to us and will help us improve our services for future Parkland students. Would you please take a few minutes to respond to our survey?

As a way of saying thank you, everyone who completes the survey by **April 1** will be entered in a drawing for a **\$50 gift card from Wal-Mart**.

In order to conserve resources, anyone who completes the survey online will be entered in a **second “going green” drawing for an additional \$50 Wal-Mart gift card** (therefore having the chance to win two gift cards).

We have already sent the survey to your Parkland student e-mail account. Information on accessing your Parkland student e-mail account, including account lookup can be found on my.parkland.edu and through the following website: <http://stu.parkland.edu>. If you would like the survey sent to a different e-mail address please e-mail iar@parkland.edu with the subject line: “Graduate Survey Online Request” and provide us with the e-mail address where you would like the survey sent.

Whether you win a gift card or not, we thank you for your help. Participation is voluntary and you can decline at any time. Your responses are confidential and will be used without any identifying information only for research and reporting. If you have any questions, please call Alison Groot at (217) 351-2466.

Please help Parkland in planning its program offerings by completing this evaluation of your educational experiences. Your response is needed and appreciated.

Sincerely,

A handwritten signature in black ink that reads "Seamus Reilly".

Seamus Reilly, Ph.D.
