**PARKLAND COLLEGE**  
**STUDENT OCCUPATIONAL FOLLOW-UP SURVEY**  
**CLASS OF 2012-2013 (FY13)**

**INTRODUCTION**

The Parkland College Occupational Follow-Up Survey was administered to the Class of 2012-2013 by the Department of Institutional Accountability & Research (IAR).

Methodology

IAR was responsible for the distribution of the e-mail, paper mail surveys and follow-up surveys by telephone. Nine hundred and thirty-seven (937) graduates of occupational programs (including short term certificates) were initially contacted with an e-mail survey approximately seven months after graduation, followed by a follow-up a second email attempt one week later and several reminders after that. Non-respondents were mailed a paper survey approximately two weeks after the second email, followed by a second mailing one month later. The remaining non-respondents were contacted by telephone. This approach generated a response rate of 39.9%. IAR was responsible for data entry, analysis and reporting.

Results

Data are presented in the following tables on rates of graduate employment, meeting college objectives, hourly salary, and satisfaction with current job, major and outside major program areas, student services, academic services and college services. Graduate demographic information by degree program appears in Tables 4-6. Employment data by program is contained in Tables 7-7E. Hourly salary outcomes are located in Tables 8-10B. Graduate satisfaction with Parkland programs and services are numbered Tables 11-20, with graduate satisfaction outcomes by gender, ethnicity and age group contained in Tables 18-20A. Satisfaction rates with current job are presented in Table 17, and hourly salary by satisfaction in Table 21. A listing of the employers of Parkland graduates is contained in Table 22. Tables 23-24 reflect perceptions of Parkland's contribution to graduates' improvement in reading, writing, speaking, doing math, and solving problems.

IMPORTANT NOTE for FY13 survey responses:

Please use caution when comparing the FY13 (2012-2013) results to results of any previous year. In FY13 27.0% of respondents (N=101) graduated with a Certified Nursing Assistant (CNA) certificate (G NASCER). This is compared to 20.1% in FY12, 23% in FY11, 19.6% in FY10.

In FY13, in comparison to the average respondent, CNA graduates were more likely than other to be female (86.0%), continuing their education (80.2%), less likely to be employed full-time (46.5%), and more likely to be employed part-time (34.7%) or not seeking employment (11.9%). CNA graduates reported lower salaries than the average respondent (\$11.77 full-time, and \$10.32 part-time).

Therefore, the responses from CNA graduates may lower the average response in the FY13 survey to the following: percentage employed full-time, and average salary overall, for certificates and for females.

**Thank you very much for assisting us.**

Dear Parkland Graduate<sup>\*\*\*</sup>,

As a graduate of Parkland College, you know first-hand what works and what can be improved. We are asking for your thoughts and opinions about your experiences at Parkland. Your feedback is very important to us and will help us improve our services for future Parkland students. Would you please take a few minutes to respond to our survey?

As a way of saying thank you, everyone who completes the survey by **February 17** will be entered in a drawing for a **\$50 Amazon gift card**.

In order to conserve resources, anyone who completes the survey **ONLINE** will be entered in a **second "going green" drawing for an additional \$50 Amazon gift card** (therefore having the chance to win two gift cards).

We have already sent the survey to your Parkland student e-mail account and Cobra e-mail (if applicable). If you would like the survey sent to a different e-mail address please e-mail [iar@parkland.edu](mailto:iar@parkland.edu) with the subject line: **"Graduate Occupational Request"** and provide us with your name and the e-mail address where you would like the survey sent.

Whether you win a gift card or not, we thank you for your help. Participation is voluntary and you can decline at any time. Your responses are confidential and will be used without any identifying information only for research and reporting. If you have any questions, please call Alison Groot at (217) 351-2466 or e-mail [iar@parkland.edu](mailto:iar@parkland.edu).

Please help Parkland in planning its program offerings by completing this evaluation of your educational experiences. Your response is needed and appreciated.

Sincerely,

Seamus Reilly, Ph.D.  
Vice President  
Institutional Advancement

**\*\*\*Note:** you may be receiving this survey because you completed a short-term certificate or one of the following courses **EMS-110, NAS-111, or TTT-112** in Summer 2012, Fall 2012 or Spring 2013.
