PARKLAND COLLEGE  
TRANSFER PROGRAM GRADUATE FOLLOW-UP SURVEY  
CLASS OF 2009-2010

**Introduction**

The Parkland College Transfer Follow-Up Survey was administered to the Class of 2009-2010 by the Department of Institutional Accountability & Research (IAR) and the Career Center.

Methodology

The Career Center and a faculty advisory committee developed the survey instrument from the Student Occupational Follow-Up Survey questionnaire. In this study, graduates were asked questions that were pertinent only to the baccalaureate/transfer programs.

IAR was responsible for the initial distribution of the e-mail and paper mail surveys. The Career Center conducted follow-up surveys by telephone. Four hundred and twenty four (424) graduates of baccalaureate/transfer programs were initially contacted with an e-mail survey approximately eight months after graduation, followed by a second e-mail attempt. Non-respondents were mailed a paper survey approximately three weeks later, followed by a second mailing. The Career Center contacted the remaining non-respondents and conducted the survey by telephone. This approach generated a response rate of 47.9%. IAR was responsible for data entry, analysis and reporting.

Results

Data are presented in Table 1 on response rates by academic program. Table 6 presents a summary of students' objectives in attending college. Data by gender, ethnicity and age group are compiled in Tables 2-5 and 7-9. Tables 10-20 present results on students' objective in attending college; planned objective for the next semester; and satisfaction ratings on major and outside major program of study, student services, academic services, and college services. Table 20 provides the names of the institutions to which students plan to transfer. Tables 21-22 reflect perceptions of Parkland's contribution to graduates' improvement in reading, writing, speaking, doing math, and solving problems.

PARKLAND COLLEGE

---

Dear Parkland Graduate<sup>\*\*\*</sup>,

As a recent graduate of Parkland College you can tell us how to make it better for future students. Please help Parkland in planning its program offerings by completing this evaluation of your education. Your feedback will help us evaluate and improve Parkland and our services.

As a way of saying thank you, everyone who completes the survey by June 13 will be entered in a drawing for a **\$25 gift card from Walmart**.

In order to encourage conservation of resources, anyone who completes the survey **online** will be entered in a **second “going green” drawing for an additional \$25 Walmart gift card** (therefore having the chance to win two gift cards).

We have already sent the survey to your Parkland student e-mail account. Information on accessing your Parkland student e-mail account, including account lookup can be found at the following website: <http://stu.parkland.edu>. If you would like the survey sent to a different e-mail address please contact us at [iar@parkland.edu](mailto:iar@parkland.edu) with the e-mail address where you would like the survey sent. You may also call Alison Groot in Institutional Research at 217-351-2466.

Your participation in this survey is voluntary and your responses will be considered as confidential information to be used for research purposes only.

We appreciate and need your help in planning Parkland’s future.

Sincerely,

A handwritten signature in black ink that reads "Seamus Reilly".

Seamus Reilly, Ph.D.  
Vice President  
Institutional Advancement

**\*\*\*Note** in addition to graduates, we also survey students who have completed an EMS, CDL, or NAS certificate
