PARKLAND COLLEGE
TRANSFER PROGRAM GRADUATE FOLLOW-UP SURVEY
CLASS OF 2010-2011

Introduction

The Parkland College Transfer Follow-Up Survey was administered to the Class of 2010-2011 by the Department of Institutional Accountability & Research (IAR) and the Career Center.

Methodology

The Career Center and a faculty advisory committee developed the survey instrument from the Student Occupational Follow-Up Survey questionnaire. In this study, graduates were asked questions that were pertinent only to the baccalaureate/transfer programs.

IAR was responsible for the initial distribution of the e-mail and paper mail surveys. The Career Center conducted follow-up surveys by telephone. Four hundred and forty one (441) graduates of baccalaureate/transfer programs were initially contacted with an e-mail survey approximately eight months after graduation, followed by a second e-mail attempt. Non-respondents were mailed a paper survey approximately three weeks later, followed by a second mailing. The Career Center contacted the remaining non-respondents and conducted the survey by telephone. This approach generated a response rate of 52.4%. IAR was responsible for data entry, analysis and reporting.

Results

Data are presented in Table 1 on response rates by academic program. Table 6 presents a summary of students' objectives in attending college. Data by gender, ethnicity and age group are compiled in Tables 2-5 and 7-9. Tables 10-19 present results on students' objective in attending college; planned objective for the next semester; and satisfaction ratings on major and outside major program of study, student services, academic services, and college services. Table 20 provides the names of the institutions to which students plan to transfer. Tables 21-22 reflect perceptions of Parkland's contribution to graduates' improvement in reading, writing, speaking, doing math, and solving problems.

PARKLAND COLLEGE

Dear Parkland Graduate^{***},

As a recent graduate of Parkland College, you know first-hand what works and what can be improved. We are asking for your thoughts and opinions about your experiences at Parkland. Your feedback is very important to us and will help us improve our services for future Parkland students. Would you please take a few minutes to respond to our survey?

As a way of saying thank you, everyone who completes the survey by **March 16** will be entered in a drawing for a **\$50 gift card from Wal-Mart**.

In order to conserve resources, anyone who completes the survey **online** will be entered in a second **“going green” drawing for an additional \$50 Wal-Mart gift card** (therefore having the chance to win two gift cards).

We have already sent the survey to your Parkland student e-mail account. Information on accessing your Parkland student e-mail account, including account lookup can be found on my.parkland.edu and through the following website: <http://stu.parkland.edu>. If you would like the survey sent to a different e-mail address please e-mail iar@parkland.edu with the subject line: “Graduate Survey Online Request” and provide us with the e-mail address where you would like the survey sent.

Whether you win a gift card or not, we thank you for your help. Participation is voluntary and you can decline at any time. Your responses are confidential and will be used without any identifying information only for research and reporting. If you have any questions, please call Alison Groot at (217) 351-2466.

Please help Parkland in planning its program offerings by completing this evaluation of your educational experiences. Your response is needed and appreciated.

Sincerely,

Seamus Reilly, Ph.D.
Vice President
Institutional Advancement

*****Note** we also ask for your feedback if you have completed an EMA, CDL, or NAS certificate.
