Institution: Parkland College (147916)

User ID: P1479161

Overview

Institutional Characteristics Overview

Welcome to the Institutional Characteristics (IC) component. This component collects important information about your institution's mission, student services, and student charges.

Much of the data reported on IC appear on College Navigator, which is updated once after IC data have been reviewed. Thus, errors may stay on College Navigator for a full year.

Additionally, the cost of attendance data are used to calculate the net price of attendance in the Student Financial Aid component. This has important implications for what students see about your institution, and also for the College Affordability and Transparency Center's lists. **Revisions or changes to costs can ONLY be made in the Student Financial Aid component and not in the prior year revision system.**

Remember, it is the responsibility of the keyholder to submit accurate data about the institution. Please contact the IPEDS Help Desk for clarifications to make sure that you are reporting correctly.

Data Reporting Reminder:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting. For example, if a summer term began later than usual due to to Coronavirus Pandemic postponements, continue to report using the timeframes as defined in the IPEDS instructions. NCES expects that some data reported during the 2021-22 data collection year will vary from established prior trends due to the impacts of Coronavirus Pandemic. If an error edit is triggered even when submitting accurate data, please indicate in the corresponding context box or verbally to the Help Desk that the seemingly inconsistent data are accurate and reflect the effects of Coronavirus Pandemic.

Changes to reporting for 2021-22:

- There are no changes to this survey component.

Common Errors

Quality control reviews of past IC data indicate frequently made errors. Please review the common errors below to ensure accurate reporting.

- Part C, question 8 should only be marked 'YES' if your institution is **EXCLUSIVELY** distance education. Do not mark 'YES' if your courses/programs are also available in person.
- Do not try to outsmart fatal errors; this is falsifying data. Contact the Help Desk to override, or fix, the data.
- Make sure you understand ALL definitions before responding to questions. For example, make sure that you are reporting for an 'ACADEMIC YEAR' or 'PROGRAM' as defined by IPEDS.

Part D - Student Charges Questions

1. Are all full-time, first-time degree/certificate-seeking students required to live on campus or in institutionally controlled housing?

If your institution typically has this requirement but such requirement is temporarily suspended due to Coronavirus Pandemic, please answer Yes.

If you answer **Yes** to this question, you will not be asked to report off-campus room and board in the price of attendance (D11).

This is only a screening question, and your response does not show up on College Navigator.

If you make any exceptions to this rule, and have even one full-time, first-time student living off-campus, please answer **No** so that this does not cause conflicts with the Student Financial Aid survey. Making changes to the SFA component is very difficult and may lead to inaccurate reporting for your institution.

If your institution participates in any Title IV programs (e.g., Pell, Direct Loans), you must provide all information. Estimates of expenses for books and supplies, room and board, and other expenses are those from the COA report used by the financial aid office in determining financial need. Please confirm with your institution's financial aid office the correct values for these COA categories, as its staff are most familiar with federal guidance (e.g., Federal Student Aid Handbook) and professional standards in determining COA.

Notes:

- If your institution offers room (housing) but does not offer board, refer to your institution's COA budgets to report an estimate of how much students would spend on board.
- Similarly, if your institution offers board but does not offer room (housing), refer to your institution's COA budgets to report an estimate of how much students would spend on room.

i If the **2021-22 tuition and/or fees as reported on this page** for *full-time, first-time students* are covered by a tuition guarantee program, check the applicable box(es) under 'Tuition Guarantee'. Additionally, please indicate the maximum % increase that is guaranteed. *These numbers are expected to be fairly small. Summary

Institutional Characteristics Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2021.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.
