- For more information, call 217/351-2567 or email [planetarium@parkland.edu](mailto:planetarium@parkland.edu)
- Leaders, you can pay for your entire troop if you wish, but we still need one scout per form.
- Bring a pencil or pen and flashlight with red plastic cover over the light and come prepared to work! This is not sitting and watching a show! It is a workshop!
- Fee covers the workshop materials based on the badge requirements. To obtain the badge, have your troop leader sign-off on your work and submit to the scout office. Boy scouts will do the moon drawing on their own.
- Deadline for registration is one week before the workshop date! Registrations *will not be accepted* at the door since materials will be duplicated in advance.
