

Going to the Planetarium

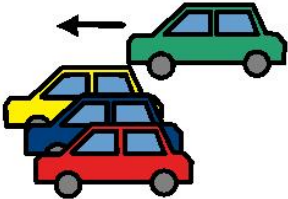

Birthday Party Social Story

Today is my friend's birthday party. She is having her party at the Planetarium. I am so excited!

First, my parent needs to park the car, and then we will walk into the lobby.

I see my friend! I am going to wave to her and wish her a happy birthday.

I can also find my other friends, eat some birthday treats, listen to my parents, and have fun!

I need to make sure I follow the rules, so everyone can have a good time.

They are easy! I need to stay in my seat, use my quiet voice, and not use my phone or lights.

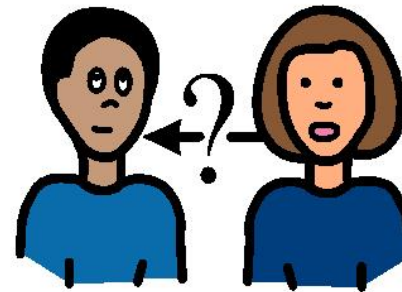

Then, the operator will open the door and will let everyone inside the Planetarium!

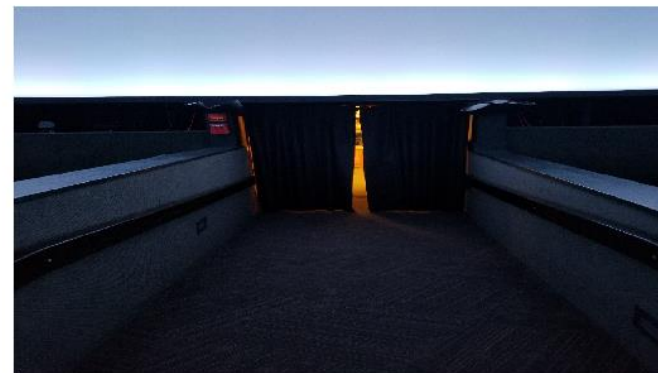

I walk in with my friends and find a seat.

If I need to get up and leave, I should first ask my parent.

Then, I can exit to the door on my right. It has black curtains over it!

The show is all done!
Now, I need to stay in my seat until the lights turn on
and the presenter is done speaking.

I exit through the open doors on the right.

The party is over. I had so much fun
celebrating my friend's birthday!

I thank my friend for inviting me.
Now it is time to go home!
