

Welcome back Parkland students,

Fall Registration is open for continuing students and now is the time to register for summer classes! Summer is a great way to get ahead in your coursework...

We understand that circumstances are changing rapidly and want you to know that we are here for you. As you navigate the new normal of being in online classes, please do not hesitate to reach out to faculty and staff with questions or concerns that are on your mind.

Today I wanted to share important information and reminders from Admissions and Records. Please read carefully and let me know if you have any questions.

Summer 2020 Registration

Whether it is taking a general education class or a specific class for your major, you can use summer to help free up some time during the fall and spring semesters. Classes for summer will be mostly online and start May 18, June 15, and July 13, so we offer a variety of start dates to fit your schedule and needs. Some Health Professions and CTE courses with online instruction may require on-campus labs and clinical experiences for course completion. Registration for summer 2020 is now open. Check out all of the summer course offerings by using the [Find A Class tool](#). Important dates and deadlines regarding summer registration and financial aid are located in the [Registration and Financial Guides](#).

Fall 2020 Registration

Today marks the beginning of Fall 2020 registration for continuing students. Log into the student portal to view the days and times you are able register. Open Registration for all new and continuing students begins on Monday, April 6th. If you would like to make an appointment with to see an Advisor to plan your fall schedule, you can schedule and appointment [here](#).

Registration and Financial dates/deadlines

Important registration and financial deadline for both summer and fall are conveniently available online. [Click on](#) the guide you wish to view. The [Find A Class guide](#) is also very helpful as you are trying to navigate through Find A Class to search for open classes, days, and times.

FERPA and permission to release your information

If you would like to provide consent to disclose personally identifiable information from your educational records, you may complete the [Permission to Release Form](#). We want to make sure you are aware of this form and make it easy for you to complete and submit. For this reason, a notarized form is no longer required. Please complete and email this form to registration@parkland.edu.

UIUC Concurrent Enrollment students

If you are a current University of Illinois student and wish to continue taking classes at Parkland, please remember to complete the Financial Aid consortium agreement for each semester you wish to enroll in Parkland coursework. Often our emails will go to your U of I spam email so be sure to check that often. Finally, if you have questions about U of I concurrent enrollment, please email us at concurrent@parkland.edu. Visit the UIUC concurrent [enrollment checklist](#) for the step by step process.

Parkland Assessment Center

All Parkland College placement tests have been moved online. Students that need to make an appointment to assess can do so online through [RegisterBlast](#) or email us directly at assessmentcenter@parkland.edu.

Get in touch with Admissions and Records

We know that you have questions and we are here to help! We are available via email at admissions@parkland.edu. Simply click on the link and complete the form.
