2. Select logout. Tap yes.

After you have completed these two steps, you will follow the regular getting started steps.

This will create a second account for you. Your health history will be accessible in the Safer Community App using your first account. It is recommended to save a copy of your Private Key to your phone.

Unfortunately, some users have not been able to remove their information using this process. If this happens, please uninstall and reinstall the app. This will allow you to create a new account using your Parkland email address.
